

Summary of requirements for your Pupil Activity Permit (for coaching)

- Fundamentals of Coaching - needs done just 1 time
- CPR - Every 2 years
- First Aid/PAV - Needs renewed every 3 years - usually when you need to reapply for your Pupil Activity Permit. I believe this information is sent directly to ODE when the course is taken so you may not have anything to give me
- Concussion In Sports - Every 3 years
- Sudden Cardiac Arrest (Lindsay's Law) - Annually
- FBI - every 5 years
- BCI - 1 time only - if you continually reside in the state of Ohio. If you leave the state and return then you need to have it redone.
- Pupil Activity Permit - Every 3 years (minimum)

Thanks!
