Re: Safety & Security – Check-in at Main School Office

Safety remains a top priority for our schools. This necessitates a tiered approach in creating multiple avenues to establish a safe and welcoming environment.

Grant School District #3 is in the process of installing aesthetically pleasing fences and upgrading our interior and exterior doors and locking systems. These improvements will assist in directing pedestrian traffic to the main office to check in, establish tighter controls on entry into the buildings, and enable staff to lock down our facilities at a moment's notice.

A key strategy in providing a safe environment for our students and employees includes checking in at the main office of each building and receiving a visitor pass. It is important that we are aware, at all times, who is in our building right before, during, and right after school hours. Patrons, parents/guardians, and family members of staff will be required to check in at the main office.

Grant School District #3 appreciates your cooperation as we work to keep all of our students and staff safe.

Thank you,

Mark W Witty
