Principal Report

Principal McMahan reports we are currently Ilearn testing. There is a new literacy endorsement required for all elementary teachers. There will be changes in the high school diploma, instead of four like we currently have, it will be two. The emphasis will be on work based learning and available college credits Jr. and Sr. year. There should be tentative changes hopefully before August.

Principal McMahan also expressed appreciation for the athletes and coaches during the spring sports season. We currently have 4 varsity sports going on at the same time which takes a lot of flexibility on all parties.

Superintendent Report

Construction report - pole barn concrete is poured, electric going in soon, restroom meetings underway. Our track plans are moving along, it will fit within the property. We're working on getting bids for 6 & 8 lane tracks and getting a 20 feet easement.

Legislative report - currently working on policy changes regarding wireless devices, student discipline and habitual truancy recommendations.

Adjourn Meeting
