

## Darian Leath Bio

My name is Darian Leath and my area of specialty is Algebra II. I have been in the field of education for fourteen years and previously worked as an accounting clerk for the City of Henderson for five years. I enjoy serving and helping others. Over the years, I have taught and tutored many students. I am very dedicated to my family of two beautiful girls and a great husband plus a sweet pup named Harley. I am involved in the music ministry at my church.

I am an alumni of CCHS and FHU. I graduated at the top of my classes, played softball and basketball, and finished college in three and a half years with a B. S. in Mathematics and earned my masters degree in curriculum and instruction. I did a semester abroad in Europe. In high school I was a member of Beta, Mu Alpha Theta, band, Spanish Honor Society, fellowship of Christian Athletes, National Honor Society and now I serve as the Mu Alpha Theta sponsor.

I enjoy teaching, traveling, crafting, decorating, shopping, coaching softball, playing the piano and spending time with family and friends.

I believe that the ones who succeed in life are the ones who make it happen. Hard work + dedication + positive attitude = success. You live and you learn and keep trying. I strive to always do my best!
