

Digital Resources Parent/Guardian Form

Coffee County School System (CCSS) students will be using a variety of digital resources to enhance their learning experience. Although these applications are widely used by the education community and support their use in K-12 institutions, their Terms of Service state that due to the Federal Law COPPA, any users under the age of 13 and some under the age of 18 must obtain explicit parental permission to use them.

All digital resources have been and will continue to be thoroughly examined by experienced educators that comprise our Digital Learning Team. As these sites are instrumental in the development of the curriculum, we are asking that you and your student please review the permission form below and complete it. Should you not want to give permissions or your expectations change, you must provide notification in writing to the school office your student attends. If you do not give your student permission to use these web tool applications, an alternative assignment will be provided. All of these tools must be used in accordance with the CCSS Responsible Use Policy, even if the student uses the tools outside of school on their own device.

I have read this permission slip and the CCSS Parent-Guardian Computer Responsible Use Agreement.

YES, I give permission for my child to use these web tools to enhance their learning experience. I understand that if I do not give permission I must provide notification in writing to the school office where my student attends and an alternative assignment will be provided.
