A Note To You

Hello Families,
Second graders have started checking out books to bring home from the school library. Please help your second grader be responsible for their books and bring them back on Monday of each week.
Thank you for reaching out to me to schedule a conference. I look forward to meeting with each of you.
Have a great week,
Mrs. Summerfield

Practice At Home

- ❖ UFLI at home practice will guide you through the spelling pattern we are learning in class. Practice, practice, practice! These spelling patterns come and go quickly! The passage on this week's extra practice sheet is a grade level passage. Have your child read it several times this week to get lots of practice.
- ❖ Math Practice sheets will reflect what we have been learning in class so that you can do a little more at home.

This Week's Agenda

Spelling: Consonant-le syllable type

This syllable comes last in a two-syllable word. It comes after a syllable that is either open or closed. It is always just three letters long: a consonant, followed by 'le'

Examples: ta/ble, rum/ble, gig/gle, cra/dle, ruf/fle, fa/ble

Reading: We will continue to read about schools around the world. We will have collaborative conversations about how Bovill School is the same and different from other schools around the world. Then, we will research a school to write a paragraph outlining the similarities and differences we've found.

Math: We will practice using place value to add and subtract real world problems in the context of penny pockets.

Social Studies: We will continue learning about different types of communities, including rural, suburban, and urban communities.
