Dates to Note

1st- Before School Conferences

7-First Day of School

15- School Picture Day

What Are We Learning?

ELA: Introduction and study of genres, study of character, settings and plot. Identifying sentence types and fragments.

Math: Exploring exponents while working on properties of operations and order of operations. Also evaluating numerical and algebraic expressions.

Science: Introduction to our science studies, classification of animals and plants and the corresponding categories.

Social Studies: The first Minnesotans and our states beginnings.

Message from Mrs. Shideler

I am so glad to be getting back into school and the routine and structure of it all. It was a busy summer as I moved into my new classroom and I am most looking forward to getting to know all of you and learning and growing together this year.
