

## **534 School Meals Policy**

### **I. PURPOSE**

The purpose of this policy is to ensure that students receive healthy and nutritious meals through the school district's nutrition program and that school district employees, families, and students have a shared understanding of expectations regarding meal charges. The policy of the school district is to provide meals to students in a respectful manner and to maintain the dignity of students by prohibiting lunch shaming or otherwise ostracizing the student. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day and minimize identification of students with insufficient funds to pay for school meals as well as to maintain the financial integrity of the school nutrition program.

### **II. GENERAL STATEMENT OF PROCEDURE**

- A. The goal of Jackson County Central's Nutrition Services Department is to provide nutritious meals to students to promote healthy eating habits and enhance learning as well as maintain the financial integrity of the National School Breakfast and Lunch programs.
- B. Families can apply for free/reduced-price meal benefits at any time during the school year by completing an application. Applications can be found in the Husky Howl newsletter that is sent home prior to school starting, at any of the schools' offices, during back to school orientation, or can be printed off online on the district's website. Families can reapply for meal benefits anytime during the school year if household income or family size changes. Families are financially responsible for all student purchases made prior to the official approval of their application. Applications must be filled out every year.

### **II. PAYMENT OF MEALS**

Funds should be maintained in student meal accounts to minimize the possibility that a student is without money on any given day. All remaining funds in the student's meal account at the end of the school year will be carried over to the next school year. Payment options include the following:

- A. Pay online: Information for how to pay online will be posted on the district's website and also be in the Husky Howl newsletter.
- B. Check: Student's name(s) must be written in memo line. If payment is for one or more student, the payment must specify how funds should be divided.
- C. Cash: Should be sent in an enclosed envelope with student's name.

D. Meal payment locations:

- Elementary: Payment box in school office or give payment to teacher
- Middle School: Payment in the school's office or give to cashier
