Assurances for School Renewal Plan

Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all applicable regulatory and statutory requirements listed.

Early Childhood Development and Academic Assistance Act (Act 135) Assurances (S.C. Code Ann §59-139-10 <i>et seq.</i> (Supp. 2004))	
Yes	Academic Assistance, PreK–3 The school makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

Yes	<p>Academic Assistance, Grades 4–12 The school makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).</p>
Yes	<p>Parent Involvement The school encourages and assists parents in becoming more involved in their children’s education. Some examples of parental involvement initiatives include making special efforts to meet with parents at times more convenient for them; providing parents with their child’s individual test results and an interpretation of the results; providing parents with information on the district’s curriculum and assessment program; providing frequent, two way communication between home and school; providing parents an opportunity to participate on decision making groups; designating space in schools for parents to access educational resource materials; including parent involvement expectations as part of the principal’s and superintendent’s evaluations; and providing parents with information pertaining to expectations held for them by the school system, such as ensuring attendance and punctuality of their children.</p>
Yes	<p>Staff Development The school provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised Standards for Staff Development.</p>
Yes	<p>Technology The school integrates technology into professional development, curriculum development, and classroom instruction to improve teaching and learning.</p>
Yes	<p>Innovation The school uses innovation funds for innovative activities to improve student learning and accelerate the performance of all students.</p>
Yes	<p>Collaboration The school (regardless of the grades served) collaborates with health and human services agencies (e.g., county health departments, social services departments, mental health departments, First Steps, and the family court system).</p>

Yes	<p>Developmental Screening The school ensures that the young child receives all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program normally is appropriate at primary and elementary schools, although screening efforts could take place at any location.</p>
Yes	<p>Half-Day Child Development The school provides half-day child development programs for four-year-olds (some districts fund full-day programs). The programs usually function at primary and elementary schools. However, they may be housed at locations with other grade levels or completely separate from schools.</p>

Yes	<p>Developmentally Appropriate Curriculum for PreK–3 The school ensures that the scope and sequence of the curriculum for PreK–3 are appropriate for the maturation levels of students. Instructional practices accommodate individual differences in maturation level and take into account the student's social and cultural context.</p>
Yes	<p>Parenting and Family Literacy The school provides a four component program that integrates all of the following activities: interactive literacy activities between parents and their children (Interactive Literacy Activities); training for parents regarding how to be the primary teachers for their children and how to be full partners in the education of their children (parenting skills for adults, parent education); parent literacy training that leads to economic self-sufficiency (adult education); and an age-appropriate education to prepare children for success in school and life experiences (early childhood education). Family Literacy is not grade specific, but is generally most appropriate for parents of children at the primary and elementary school levels and below as well as for secondary school students who are parents. Family Literacy program goals are to strengthen parental involvement in the learning process of preschool children ages birth through five years; to promote school readiness of preschool children; to offer parents special opportunities to improve their literacy skills and education; to provide parents a chance to recover from dropping out of school; and to identify potential developmental delays in preschool children by offering developmental screening.</p>
Yes	<p>Recruitment The district makes special and intensive efforts to recruit and give priority to serving those parents or guardians of children, ages birth through five years, who are considered at-risk of school failure. “At-risk children are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): parent without a high school graduation or equivalency, poverty, limited English proficiency, significant developmental delays, instability or inadequate basic capacity within the home and/or family, poor health (physical, mental, emotional) and/or child abuse and neglect.</p>
Yes	<p>Coordination of Act 135 Initiatives with Other Federal, State, and District Programs The district ensures as much program effectiveness as possible by developing a district-wide/school-wide coordinated effort among all programs and funding. Act 135 initiatives are coordinated with programs such as Head Start, First Steps, Title I, and programs for students with disabilities.</p>

District Requested Strategic/Renewal Plan Waiver

The State Board of Education has the authority to waive regulations pursuant to (*SBE Regulation 43-261*) (C) District and School Planning which states the following:

Upon request of a district board of trustees or its designee, the State Board of Education may waive any regulation that would impede the implementation of an approved district strategic plan or school renewal plan.

All waivers must be requested in writing, signed by the local superintendent, and approved by the local school board prior to being sent to State Accountability. Use the following link to obtain more information on the waiver process:

<http://ed.sc.gov/districts-schools/state-accountability/waiver-requests/>

Not Applicable

District Waiver Requested and Approved	Explain how the SBE Regulation would impede the implementation of an approved district strategic or school renewal plan.
1. Extension for initial District Strategic and School Renewal Plans (<i>SBE Regulation 43-261</i>)	
2. Teachers teaching more than 1500 minutes (<i>SBE Regulation 43-205</i>)	
3. Teachers teaching more than 4 preps (<i>SBE Regulation 43-205</i>)	
4. High School Principal over two schools or grades more than 9-12 (<i>SBE Regulation 43-205</i>)	
5. Other (<i>Include the SBE Regulation number to be waived</i>)	
6. Other (<i>Include the SBE Regulation number to be waived</i>)	

Executive Summary of Needs Assessment Data Findings

Per SBE Regulation 43-261, the annual needs assessment will provide focus for planning teams to set priorities for the plan. The comprehensive needs assessment must identify targeted areas of discrepancy between the desired performance levels and the current status as indicated by available data. Any discrepancies in the following areas identified by the school and district report cards must be included in the plan: (1) achievement, (2) achievement by subgroups, (3) graduation rates, (4) attendance, (5) discipline, (6) teacher/administrator quality and professional growth, and (7) other priority areas.

Measurable performance goals, written in five-year increments, shall be developed to address the major areas of discrepancy found in the needs assessment in key areas reported in the district and school report cards.

State Report Card for districts and schools data: <http://ed.sc.gov/data/report-cards/state-report-cards/>

Directions: In the appropriate boxes, use school data to identify areas in need of improvement. Required areas to be addressed: Student Achievement, Teacher/Administrator Quality, and School Climate.

Student Achievement	
Primary School (K - 2)	
1	Sandy Run K-8 strives to ensure that our students leave primary school reading on grade level as measured by STAR Reading data. As we begin our Road to Recovery from the COVID Pandemic, we have observed individual growth in the 2021-2022 school year. Our future efforts will be centered on MTSS meetings to assist teachers with data driven instruction. Our Literacy Coach, reading interventionist, and other identified staff will provide additional personalized support for students as we work hand in hand to increase the percentage of second grader students reading on grade level from 51% in 2021-2022 to 83% in 2026-2027, as measured by STAR reading.
Elementary/Middle School (3 - 8)	
2	<p>The goal for Sandy Run K-8 is to ensure each student reaches his or her highest potential.</p> <p>Elementary (grades 3-5) Based upon our 2018-2019 data, 1.5% of our elementary students were above the state average in ELA and 4.4% were above in math. Due to the COVID pandemic there was no data for the 2019-2020 school year. The 2020-2021 school year data reflects the impact of the pandemic on student learning. 12.9% of our elementary students were below the state average in ELA and 10.8% were below in math.</p> <p>Middle school (grades 6-8) Based upon our 2018-2019 data, 1.0% of our middle school students were below the state average in ELA and 5.1% were below in math. Due to the COVID Pandemic there was not data for the 2019-2020 school year. The 2020-2021 school year data reveals that 3.1% of our middle school students were below the state average in ELA and 0.9% were below in math.</p> <p>From the longitudinal SC Ready test scores as recorded in the South Carolina school report card, we concluded that the pandemic had a larger impact on our younger students while utilizing virtual learning. as we continue on our Road to Recovery, our efforts will center on data driven instruction for each grade level, subject area, and student. Our Literacy Coach and other identified staff will provide professional development, additional personalized support to teachers and students as we work hand in hand to increase the percentage of students performing at or above grade level as measured by the SC Ready state test.</p>
Teacher/Administrator Quality	
3	Students are better able to learn in a structured and organized learning environment. Teachers who are equipped with effective classroom management strategies are able to create engaging learning environments which lead to fewer discipline referrals and the need for Behavior Interventions. As such, 100% of the teachers at Sandy Run K-8 will participate in Tier 1 Classroom Management development opportunities. In 2025, we have partnered with Amie Dean's company to provide onsite training and classroom observations to enhance classroom management in order to decrease the number of student referrals.
School Climate	
4	Student, parent, and teacher satisfaction with the learning environment is critical to the school's climate. Data from the State surveys indicates there is a variation in responses from each perspective group. Shared decision making, continuous communication with stakeholders, and allowing students and teachers to have more of a voice, will be our focal point. Data from the 2020-2021 school year shows that 77.5% of the stakeholders were satisfied with the learning environment. It is our goal by 2026-2027 to increase that percentage to 93.5%

Performance Goal 1

Performance Goal Area:	School Climate* (Parent Involvement, Safe and Healthy Schools, etc.)					
Performance Goal: SMART goal must include: WHO will do WHAT, as measured by HOW and WHEN.	The percentage of students, parents, and teachers (average) that are satisfied with the school's learning environment, as reported on the school report card surveys, will increase from an average of 77.5% in 2021 to 93.5% in 2026-27					
Interim Performance Goal: Meet annual targets below.						
Data Source(s)'	Average Baseline	2022/23	2023/24	2024/25	2025/26	2026/27
Training session sign in sheets	77.5	Projected Data: 80.7	83.9	87.1	90.3	93.5
		Actual Data: TBD				

Action Plan for Performance Goal 1

Strategy #1: Increase the percentage of teachers, parents, and students satisfied with the school's learning environment.					
Action Step (List the processes to fully implement the strategy. Include professional development, scientifically based research, innovation initiatives etc.)	Timeli ne Start/En d Dates	People Responsible	Estimated Cost	Funding Source	Indicators of Implementation
1. Analyze the results of the South Carolina Department of Education survey to determine areas of concern and strength	2022-2027	Leadership Team	NA	NA	Surveys, Results, Sign-In Sheets, Agendas, and Minutes
2. 2. Create a Principal’s Advisory Council that will meet monthly to ensure teachers have a voice	2022-2027	Administration and Council Members	NA	NA	Agendas, Sign-in Sheets, Minutes, and Data
3. 3. Allow students to have a voice by creating an 8th grade “Student Council” that will meet once per month with administration and guidance	2022-2027	Student Council, Administration , and Guidance	NA	NA	Lesson plans and observations
