Selection Procedure Description

The National Honor Society chapter of Texline High School is a duly chartered and affiliated chapter of the National Honor Society.

Membership is open to those students who meet the required standards in four areas of evaluation: scholarship, leadership, service, and character. Students are selected for membership by majority vote of a five-member Faculty Council, appointed annually by the principal, which bestows this honor upon qualified students on behalf of the faculty of our school each year. The chapter adviser, Nixie Sanderson, is also appointed by the principal and facilitates all selection procedures and chapter activities during the year.

Students enrolled as a sophomore, junior, and senior are eligible for membership. The selection of active members shall be held once a year during the spring semester of the school year with the exception of the 2026-2027 academic year in which an initial selection period will be held in the fall semester in order to establish membership. This initial selection will be open to students who are in their junior or senior year and meet all other eligibility requirements. For the scholarship criterion, a student must have a cumulative GPA of 3.5 or better on a 4.0 scale. Those students who meet this criterion are invited to complete a Candidate Form that provides the Faculty Council with information regarding the candidate's leadership and service. A history of leadership experiences and participation in school or community service is also required.

To evaluate a candidate's character, the Faculty Council obtains additional professional input. First, official school disciplinary records are reviewed. Second, members of the faculty are requested to provide their professional reflections on a candidate's service activities, character, citizenship, and leadership. These forms and the Candidate Forms are carefully reviewed by the Faculty Council to determine whether each candidate meets the criteria for membership. The Faculty Council may also conduct interviews before making a final selection for membership. A majority vote of the Council is necessary for selection. Following a review of the results of the Faculty Council voting by the principal, candidates are notified regarding selection or non-selection according to a predetermined schedule.

Once the notification process is completed, a formal induction ceremony is held at the school to recognize all the newly selected members. Candidates must attend the induction ceremony in order to

become members of National Honor Society. Once inducted, new members are required to maintain the same level of performance (or better) in all criteria that led to their selection. This obligation includes regular attendance at chapter meetings during the school year, and participation in the chapter service projects(s), and individual service projects. Students or parents who have questions regarding the selection process or membership obligations can contact the chapter adviser.
