Dear Parents and Guardians:

Thank you so much for your commitment to a successful year at Randolph-Clay High School. According to the recent parent survey, the majority of our parents prefer that their child(ren) remain in a face-to-face environment. While we agree that in-person learning is the ideal learning scenario, this public health crisis makes it more challenging. Therefore, our district has decided that all students in the Randolph County School System will participate in **online** instruction **August 24-September 6, 2021**. Starting on September 7, 2021, if the positivity rate has decreased, the option you chose on the survey will be in effect. The virtual/face-to-face instruction will last for the first nine weeks. Our goal is to have all students back in the traditional school setting for the second nine weeks of school.

Please note that our teachers are committed to educating all students. Our school schedule will not change, meaning classes will meet from 8 AM-3:30 PM Mondays-Fridays. Faculty and Staff email addresses are firstname.lastname@sowegak12.org

As parents, you can continue to monitor your children’s progress and can do so in the following ways: 1) Email teacher to “invite” you to the Google classroom, and 2) Access grades in Power School Portal located at <https://sis.sowegak12.org/public> If you do not have an account, you can set up one by calling the counselor at 229-732-2100 or emailing her at tanyika.wooden@sowegak12.org.
