

Meet the..... **TEACHER**

Mrs. Erin Brown

HOPE SULLIVAN ELEMENTARY

★ WELCOME ★

I am very happy to be your child's Kindergarten teacher this year! This will be my tenth year of teaching at HSES, and I am ready to make it the best one yet! I grew up in the DeSoto County area, and I graduated from The University of Memphis with a degree in elementary education. My husband is a truck driver, and we have 3 children. Chloe is our 14-year-old who will be in 9th grade at SHS. She is so excited to be playing volleyball and softball for the school. Our middle child, Porter, will be in First grade this year! Our youngest babe, Callie, just turned 3 over the summer. She will be attending the childcare at SHS! I am excited to share a wonderful year of adventures with you! Please feel free to contact me at any time during the school year to discuss your child's progress.
