Please write your answer on a full piece of paper with the date, your name, and grade level indicated. All correct answers will be placed in a bucket and one will be selected to win a candy bar. Our first trivia question is: **Who Am I? I was born in Baltimore, Maryland and was an energetic and boisterous child and I frequently found myself in trouble. I attended the Colored High and Training School in Baltimore and graduated with honors. My father's hobby was to follow legal cases and he often took me to court to observe with him. My father "never told me to become a lawyer, but he turned me into one." I attended Howard University School of Law and passed the Maryland bar examination after graduation. I became a civil rights lawyer and served as a Justice of the Supreme Court of the United States for over 20 years. Who am I?**
