Dear Community Member,

We would like to first thank all who contributed to the 2024 Beecher Community Scholarship Association's fundraising drive. Once again, last year was a huge success and we couldn't have done it without your continued support.

We are thrilled to report that last year's fundraiser brought in over \$11,000. This brings the **62 year** grand total of donations to the Scholarship Association to over **\$950,000**, all thanks to the generosity of our community! The Beecher Scholarship Association began in 1962 with the awarding of two scholarships to qualified graduates of Beecher High School's class of 1963. Since then, the Association has awarded **over 1,150 scholarships** to qualifying students who furthered their education after graduating from Beecher High School.

To continue that tradition, we are asking for your generosity to make a donation to the 2025 fundraising drive. Scholarships are given out in three levels, based on the level of schooling students are pursuing. You may donate in any amount, but those donors who choose to fund a full scholarship amount will have the scholarship presented in the name of their choosing. This can be a great way to honor a loved one or a favorite teacher or staff member from your schooling days.

Scholarship Levels	
Vocational	\$500
Two Year	\$750
Four Year	\$1,500

Thank you in advance for considering a donation to this year's fundraising drive and helping make the Class of 2025's dreams of the future a reality. Donation checks should be made payable to the Beecher Community Scholarship Association and if you have any questions, please contact us at [scholarshipcommittee@beecher200u.org](mailto:scholarshipcommittee@beecher200u.org) or call (708) 946-2246.
