Dear Parents/Guardians,

Your child, _____ is participating in the dual enrollment program through Tattnell County High School for the 2023-2024 school year. He/She is enrolled in online college classes and has the opportunity to utilize the labs at TCHS to complete this course. It is important we have an accurate account of students on campus daily. If your child commits to using TCHS labs, he/she will be expected to attend classes daily. Attendance will be taken during the lab block. Please select one of the options below and return by Tuesday, August 1st indicating your decision. Thank you in advance for your assistance in ensuring the safety of your child.

Sincerely,

Shaqulia Foreman, Ed. S.
