Summer Updates!

The sights and sounds of spring are indeed alive and thriving here at the Galilean Home. Each year, the yellow daffodils make their appearance, along with the lovely phlox and the many other perennials that dear Mom planted so many years ago. Our dedicated maintenance team brings out the mowers, working tirelessly to keep everything looking fresh and beautiful, not just here but also at the café and thrift store. It's quite a lot of mowing!

It's sure quiet now around Galilean Christian Academy, but what a wonderful last week of school we had. We celebrated eight children graduating from kindergarten and four from high school. With 100 students enrolled next school year we will be ready to roll come fall! We have a long waiting list of students wanting to enroll so we are thankful for that!

There's something truly refreshing about the renewal of life that spring brings. Now, we eagerly look forward to our summer plans!

If you follow us on Facebook, keep an eye out for our "Pop Up" sales from the warehouse behind the Bread of Life Café. This warehouse stores the overflow of donations we receive for the Trading Post, and you never know what bargains you'll find!

Another exciting event this summer is our golf scramble in August to raise community awareness for our ministry. Please see the ad in this newsletter for details and consider sponsoring or putting a team together. It should be a fun day, with food and prizes provided!

We also use summer as a time to organize and prepare for—yes, you guessed it—the Quilt Auction! Please plan to attend on October 11-12. This will be our 36th year, and with beautiful quilts, amazing food, and time spent with our residents, we believe it's the best place to be in the fall!

Many of you regularly check our needs list, and we are incredibly grateful for those who collect and deliver items or use our Amazon needs list. A few years ago, a dedicated group collected Tide Pods and adult diapers for us, saving us over \$800 a month. This was a tremendous blessing.

Recently, we have begun ordering these items ourselves, which led us to think about ways to streamline donations with your help. To address these challenges, we are looking for those of you would like to be a part of "Friends of Galilean". We believe this would be a great way to organize

Become a GH representative in your church, work, or family by collecting specifically assigned items from our needs list. You will also receive updates on any additional needs of our ministry and opportunities for more hands-on involvement. If you would like to join the "Friends of Galilean," please reach out to Jennifer Coffey by phone at 859-749-0727 or via email at jennifer@galileanhomeministries.org.

our efforts better and enhance communication about our needs and how those in your community can best support our mission. We are looking for those who may become a GH representative in your church, work, or family by collecting specifically assigned items from our needs list. By others taking this on, a huge burden is lifted from us financially as well as your commitment to collecting essential items on a regular basis—such as shampoo, body wash, razors, and more—will directly contribute to fulfilling the needs of those we serve.

We would provide a list of specific items to collect, making the process easier for you. As a Friend of Galilean, you will also receive updates on any additional needs of our ministry and opportunities for more hands-on involvement. If you would like to join the "Friends of Galilean," please reach out to Jennifer Coffey by phone at 859-749-0727 or via email at jennifer@galileanhomeministries.org.

We are very grateful to all of you who take interest in our ministry and care deeply about our residents. Good things are happening at Galilean Home, and we couldn't do it without all of your support.
