October Newsletter

At Prattville Primary School we will learn, love, and lead.

News from Mrs. McNider

We are enjoying the fall weather and activities at PPS. We continue to learn, love, and lead with one another each day.

As you will see, October is a fun filled month of learning. We will focus this month on fire safety, Habits 3-5, drug awareness, and of course our math and reading skills.

More exciting events this month include our Read-a-thon, our first report cards and the Monster Mash.

I also invite you to participate in our parent events which include a virtual APT meeting held on October 7 at 6:00 PM and a parent workshop on October 18.

More information about all of these events are included in this newsletter.

As always, thank you for your support and allowing us to serve your children each day!
