SCHOOL EXPECTATIONS

1. No student should have gum or candy in school or on the bus.
2. Students are expected to be on time and prepared for all classes. Chronic lateness may result in detention.
3. Students are encouraged to utilize lockers for the storage of their belongings and school materials. Use of the locker at arrival, before and after lunch, and at dismissal is designed to limit the weight placed on students.
4. No student should be out of the classroom without his or her agenda book. This serves as their hall pass.
5. Book bags and backpacks may be stored in lockers during the school day, unless utilized to carry academic materials.
6. Dress code regulations must be followed at all times – including school functions, field trips and dances.
7. Cell phones must be turned off. See Electronic Equipment/Cell Phone section for more information.

SIGNING STUDENTS IN AND OUT

Any time a student is leaving school and is not riding the bus, the student must be signed out by whomever is picking him/her up

- It is recommended that a parent/guardian notify the Principal's Office in writing when they plan to remove their child from school prior to the end of the regular school day. In order for a student to be released early from school, the parent/guardian must come into the Principal's Office and sign the student out.
- If another adult (relative or close friend) will be picking up the student instead of the parent, the parent **must** communicate the name of the adult to the office prior to the release of the student. The same sign-out procedure will be followed.
- If a student is being picked up at the end of the day, the parent/guardian should notify the Principal's Office in writing. The parent/guardian must come into the Principal's Office and sign the student out.
- If a student wishes to walk to the Greenwich Township Library after school, the parent/guardian must supply a written note to the Principal's Office. The student will then be allowed to sign himself/herself out and will be dismissed with other walkers.
- If a student stays after school for an activity or detention and a parent/guardian is picking them up, the parent/guardian must come into the Principal's Office and sign the student out.
- Students in Grades 6 – 8 are permitted to sign themselves into school if they are tardy or returning from an appointment, etc.

DISMISSAL

ALL students are to leave school the same way they arrive and go directly home.

- Students are not permitted to remain after school without prior permission from their teacher or the Principal.
- Students are not allowed to remain on the school grounds after hours.
- If a student is a walker, parents should go over the importance of taking the same route daily and arriving home as quickly as possible.
- Walkers should always travel with a "buddy".

BREAKFAST AND LUNCH PROGRAM

Breakfast is offered everyday during homeroom from 7:55 – 8:05 AM. Lunch is offered everyday except on early dismissal days. Snacks are permitted on early dismissal days.

ATTENDANCE

New Jersey State Statute 18A:38-25 requires children between the ages of six and sixteen attend school on a daily basis. The educational program offered by the Greenwich Township School District is based upon pupil participation in classroom activities and requires continuity of instruction. Regular contact of pupils with one another and teachers in the classroom and their participation in well-planned instructional activities are vital to their development. Aside from absences for medical or religious reasons, it is imperative students attend school on a daily basis.

Notice of Absence The parent or adult guardian of each pupil:

1. is to call the school office between 8:00 and 9:00 AM of the morning of the absence.
2. who anticipates future/prolonged absence should notify the Principal.

A doctor's note will be required in order for an absence to be excused.

Examples of Excused Absence: This information must be provided for each absence incident on the day of the return.

1. Pupil's illness, **as evidenced by a doctor's note;**
2. A death or critical illness in the pupil's immediate family
3. A bona fide family emergency
4. Quarantine
5. Observance of pupil's religion on a day approved for that purpose by the State Board of Education.
6. Participation in Take Your Child to Work Day.
7. The pupil's suspension from school
8. The pupil's required attendance in court
9. Interviews with a prospective employer or with an admissions officer of an institution or higher education
10. Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day.

Unexcused Absence is a pupil's absence for all or part of a school day for any reason other than those listed above. Absence is not excused for the following illustrative reasons (this is not inclusive):

1. Employment other than school-approved work assignments
2. Performance of household or baby-sitting duties
3. Hunting
4. Family vacations

Consequences for Attendance Violations:

1. Pupils may be denied participation in athletic competition and co-curricular activities if their attendance fails to meet the standards.
2. The district will send attendance letters at 4 days, 5 - 7 days, and 8 or more days absent per state code.
3. When a pupil under the age of sixteen is absent without excuse more than 10 school days in any one school year, the Principal shall inform the Chief School Administrator for possible prosecution in municipal court pursuant to N.J.S.A. 18A:38-27 et.seq.
4. A pupil who has been tardy to school or class four (4) times may be assigned a detention.

HEALTH SERVICES

Accident/Illness

If a student should be injured or ill, the following procedures will be used:

1. Students who become ill or have an accident during school hours should report to the school nurse or Principal's office. If he/she cannot physically go, the teacher shall contact the school nurse or Principal's office for assistance.
2. If the injury or illness warrants, the school nurse or Principal's office will contact the home or emergency contact designated by the parent/guardian (*See note below).
3. In the event of a serious injury or illness, the nurse will accompany the child to the nearest hospital via ambulance. School authorities will contact the parent/guardian.

***NOTE:** It is extremely important that you complete and return the emergency cards sent home with your child. This information is crucial in contacting you or your designated emergency contact person in an emergency. Please notify the school nurse or Principal's office anytime if you have a change in home, work, or emergency telephone numbers.

Medications Taken at School

According to Greenwich Township Board Policy #5330, the following guidelines must be adhered to for your child to have medication during school hours:

1. Only those medications which are absolutely necessary for your child should be taken at school.
2. Only the school nurse and/or student's parent/guardian may give medication during school hours.
3. A physician's note AND parent permission form stating the following:

- name of medication
- dosage(s), time, and method of administration
- length of administration

must be provided to administer medications at school.

4. The medication must be in the original prescription or over-the-counter container and brought in by parent/guardian. **A student may NOT carry medication to school or carry it with him/her during school hours or school functions (see exception below).**

Exception: Self-administration of medication is permissible ONLY for those students in need of medication for life-threatening conditions, such as asthma or severe allergic reactions. Please contact the school nurse for information.

Controlled Dangerous Substances

- The Greenwich Township Board of Education recognizes its responsibility to ensure continuing cooperation between school staff and law enforcement authorities in all matters relating to the use, possession and distribution of controlled dangerous substances on school property.
- The administration reserves the right to search/seizure when there is reasonable belief that some material which is detrimental to health, safety and welfare of the student(s) exist.
- Emergency situations may necessitate a search/seizure with or without the student's knowledge or consent. Wherever possible, the student should be aware of a search of property assigned to him. In the absence of a student, a second party shall witness any search.

STUDENT PROGRESS

Progress Reports

Progress reports will be generated electronically halfway through each marking period. Upon viewing these reports, parents/guardians are encouraged to confer with the child's teacher to determine what can be done to bring about improvement. Electronic report cards will be generated at the end of each marking period.

In Grades 6 - 8, numerical grades are used to report student's progress in all subject areas. Below is the grade scale:

93 – 100	Excellent	A
85 - 92	Above Average	B
75 - 84	Average	C
70 - 74	Below Average	D
69 & Below	Failing	E

Criteria for Retention

Mandatory retention for a student failing:

Two major subjects (Language Arts, Math, Science, Social Studies) OR one major and two minor subjects* (Health, PE, Art, etc.)

*** Failing two minor subjects = failing one major subject.**

Parents/Guardians will be notified of the possibility of retention of their child by the end of the second and third marking periods. In rare cases, a student will bring his/her average down to failing during the last marking period and will become a candidate for retention. Should this occur, parents will be notified. It is a good practice for parents to retain copies of their child's work throughout the year and confer frequently with the teacher/s to keep abreast of the growth patterns. Parents also should encourage their child to maintain an average of at least a C or better and reinforce the need to study.
