NOTE: The vision benefits provided under this Plan are limited-scope benefits and are offered separately from any medical coverage offered under the Plan. All vision providers are paid according to the schedule above. You may assign benefits to your vision provider who will be paid directly for services rendered. You have a separate right to enroll in the vision benefits under the Plan. If you choose to enroll in such vision benefit, you may be charged an employee contribution amount that is separate from what you are charged for any other benefit offered under the Plan. The amount of any Employee contribution will be communicated to you by your Participating School prior to the annual open enrollment period.
