Message from the Principal

Good Morning Dolphins and Welcome Back To Another Great Memory From Nautilus Elementary School!

This yearbook's message is proudly brought to you by my favorite tool – The Courage Tool. At Nautilus, we have the Courage to do the “right” thing. As you continue to grow, I encourage you to keep the Courage tool close and follow your heart. Be your best you.

Our year has been fun-filled with exciting opportunities and firsts for many of us. I remember relating very closely to many of you as I started getting ready for the first day of school. I was nervous and excited. As I started to meet you all and see the incredible staff at our school begin, I was quickly made comfortable. I could not have picked a better school to lead and serve as a principal.

I want to thank each and every member of the learning community for the choices they have made to keep Nautilus a Safe, Responsible, and Respectful school. Thank you to our staff for Championing Students and Expecting Excellence each day. Thank you to our families and community for doing whatever it takes to cherish and support your children. Thank you to our students simply for being yourself.

This year we rose AS ONE with APEX, celebrated so many great choices, played football with the Arizona Cardinals, and learned NOT to talk about Bruno. We learned about ancient civilizations and US History, we dug into science, and learned all about number bonds. We made so many wonderful memories that will not soon be forgotten. This year has been a great period of growth and I am so proud to have experienced it with you.

The Nautilus Family wishes you nothing but the best. Never forget that you are now, and will forever, a part of our school.

Make It A Great Day and.....

GOOOOO DOLPHINS!

A message from the School Nurse.
As the school year is ending, I have a few reminders for over the summer. If your student has medications please come in to get them. If you do not come in the medication will be disposed of. If our student has missing immunizations, please make plans to get them. If a student is missing shots and do not have an appointment or a signed Exemption Form they WILL NOT BE ALLOWED TO START SCHOOL. If you have any question, you can call me at 928-505-6062 or

email me at paula.struve@lhUSD.org. I will be at school for Summer School the month of June. Everyone who is missing shots will receive a letter with a copy of their immunizations and information for the Health Fair.
