

Central High School

Parking Regulations 2024-2025 School Year

 Cars will be ticketed and/or towed at the owners' expenses for violation of parking regulations. Parking is a privilege that may be revoked without a refund for parking violations. Vehicles parked within 1000 feet of school property are subject to search.

1. Vehicles on campus of Central High School must have a 2024-2025 Central High School hang tag hanging from the rear view mirror and must be in a marked parking space.
2. Once a student drives on campus, he/she is considered "at school" and must check out legally in Student Services to leave campus again.
3. Students may not loiter (hang-out) in the parking lot before or after school. Students must exit their vehicles and report to the school building immediately upon arrival to school.
4. For afternoon dismissal all student drivers must turn right out of the parking lot.
5. Dream Team spaces are marked with a DT in front of the number. All other parking is first come first serve.
6. Any student vehicle parked anywhere on campus other than the student parking lot will likely be TOWED and parking privileges REVOKED.
7. Radios and sound systems must be kept at a volume that cannot be heard outside of the vehicle within 1000 feet of the Central High School campus.
8. Students will not be allowed to go to the student parking lot during the school day to get items left in the car.
9. Students may not be on your cell phone while driving in the student parking lot.
10. Students will be allowed to drive to CCA for 3rd/4th periods only and only if the student is in the Work-Based Learning Program and drives to his/her work immediately after CCA classes. These students must obtain permission from an Assistant Principal at Central High School and the Principal of CCA. All other CCA students must ride the bus to and from CCA. Students may not transport other students to the CCA for any reason.
11. Students/Parents will not be allowed to park or drop off in the mornings or pick up in the afternoons in the 400 hall parking lot.
12. Permits may not be transferred to other students. Any student who allows someone else to use their hang tag will lose their parking privilege for the remainder of the school year. Parking hang tags cannot be shared!
13. Student drivers must complete a Drug Consent Form to be allowed to park on campus.

*****NEW STATE LAW:** Requires that CHS report to the DMV any student who accumulates 10 or more unexcused absences in the current school year or in the previous academic year. Driving privileges of those students will be revoked by the DMV and by Central High School.

I have read and understand these parking regulations. If I purchase a new vehicle or substitute my primary vehicle, I understand that it is my responsibility to notify the Parking Permit Office (Main Office).
