7th Grade Newsletter
Week of March 17th, 2025

Mathematics
Mrs. Jarrett
mjarrett@rappahannockschools.us

Blocks 1&3 - We are starting our unit on volume and surface area.. The students will investigate and determine the volume for right cylinders and surface area for rectangular prisms and right cylinders.

Block 2 - We have begun our unit on 2D figures. The students will use relationships among pairs of angles that are vertical, adjacent, supplementary and complementary angles to determine the measure of unknown angles.

Questions or concerns? Please send me an email. :)

Civics
Mr. Hummill
mhummill@rappahannockschools.us

We are working through our politics unit. We will have a quiz on the Electoral College the first full week after spring break.

Please let me know if you have questions or concerns.

Language Arts
Ms. Nutt
snutt@rapphannockschools.us

This week's vocabulary list covers the roots FRAIL, FRACT, FRAG = break; shatter. We will have our quiz on the half day, 3/21.

Students are participating in the **Rapp Stories contest**. The contest submission deadline is **March 21st**.

We are looking ahead to the seventh grade **Career Fair on April 10th**. Students will create a tri-fold display explaining their chosen career. Encourage your child to give it their all, bringing fun and interactive elements to their project.

Q4 Book Report Due Date: May 5th!
Students should be <u>reading every night</u> to gradually increase their reading
