

Student Services Board Report

Thank You, Robins Financial Credit Union!!!

Our school district is grateful to Robins Financial Credit Union for its generous \$15,000 donation to support students and families experiencing housing instability, including those identified through the McKinney-Vento program and those at risk of becoming eligible for services. This generous contribution will help provide essential resources, reduce barriers, and connect families with the support they need. By helping address challenges outside the classroom, these funds will allow students to remain connected, engaged, and focused on their education. We sincerely appreciate Robins Financial Credit Union for investing in our students and helping ensure that every child has the opportunity to thrive and succeed in school.

Back to school at the LSSC

The Lindsey Student Support Center continues to provide families and students with valuable resources, guidance, and academic support.

A New Family Welcome Event welcomed 250 participants and connected families with information about district resources, transportation, nutrition, Infinite Campus, and more. Representatives from Robins Air Force Base, HCSD translators, and Georgia Parent Mentors were available to provide additional support.

The LSSC also hosted SAT/ACT/ASVAB Math Prep sessions, helping students strengthen math skills and prepare for college, military, and career opportunities.

Additionally, 91 participants received hands-on assistance during the Online Digital Handbook Workshop, gaining support with the handbook, Infinite Campus, and other digital resources.

Through these efforts, the LSSC continues to connect families, support students, and build pathways to success.

Students with Disabilities

2026-2027 Parent Workshops

WITH PARENT MENTOR MARINA JONES
81 Tabor Drive, Warner Robins • 478-210-8402

Understanding the IEP Parent Workshop

Join Marina, for an informative session on Individual Education Plans. Take this opportunity to build your IEP binder!

Sept 9 & 11 @ LSSC
Sept 16 @ Perry Annex
10:00am-11:00am

Oct 7 & 10 @ LSSC
Oct 21 @ Perry Annex
10:00am-11:00am

NOW/COMP Waiver Parent Workshop

Participants will learn about eligibility requirements, application process and how the waiver supports individuals with developmental disabilities.

Transition Resource Fair

Middle Georgia GLRS Transition Resource Fair (LSSC Hosting).
Official registration and details from Middle Georgia GLRS coming soon.

NOV 5 10:00am-1:00pm

Dec 10 & 12 @ LSSC
Dec 16 @ Perry Annex
10:00am-11:00am

Katie Beckett Waiver Parent Workshop

Understanding the Katie Beckett Medicaid Waiver this workshop is for families seeking to navigate the KB Waiver that provides critical health care coverage for children with significant medical needs regardless of income.

Fueling Success

School Nutrition Starts Strong

The first week of school brings busy cafeterias, new schedules, and plenty of excitement! Our School Nutrition team is proud to help keep students fueled and ready to learn as we help deliver an important part of the school day: get them there, get them fed, and get them home!

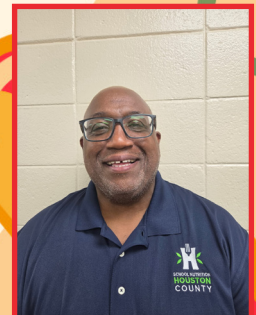

This year, we are excited to welcome six new managers to our team. All six advanced through our Assistant Manager Program, with four beginning their journey as food assistants. Their growth is a great example of the opportunities available within School Nutrition.

Students and staff can also look forward to new menu favorites, including Frito Pie, Walking Tacos, Country Fried Steak Bites, Buffalo Mac & Cheese, and Buffalo Chicken Dip, along with Nashville Hot and Buffalo sauces for our popular chicken tenders.

We are excited for a great year ahead and happy to have our students back around our tables!

Transition Academy

The students and staff at the Transition Academy were glad to begin our **2026-27** year and welcomed **six new students** into our program.

Over the summer, Mr. Whitten and Mrs. Hodges, two of our staff members, **received their CDLs** to be able to drive students to job sites and activities that require bus drivers.

Students are getting established into their new roles here and getting acquainted with new job responsibilities on our **CBVI** community work sites.

The students were excited to begin cooking skills by understanding kitchen safety and food preparation, reading and understanding recipes, and measuring the different forms of ingredients. We are now preparing **9X13** and **8X8** casseroles and desserts for our business here that will begin operating in September.

Our students are also working on several skills such as painting, preparing badges orders, and working the shirt and cup presses for different types of items for our **Transition Treasures**.

September 2026

Hands-on learning every day!

PROUD OF OUR STAFF!

New opportunities. Brighter futures.

BUILDING SKILLS. CREATING OPPORTUNITIES. CHANGING LIVES.

2026-2027 Flu Vaccination Program

The Houston County Health Department is partnering with the Houston County Board of Education (HCBE) once again to provide flu vaccinations to students at school at no out-of-pocket cost to families. Each year, many children are infected with the influenza virus, which can lead to serious illness and missed days of school. An infected child can also spread the flu to other members of the family. Vaccination is the best way to protect your child from this potentially serious illness.

All staff, students, and families are encouraged to get vaccinated through their healthcare provider or at one of the HCBE Flu Clinics. All consent forms are online this year. Please use the links or scan the QR codes below to register.
