**What are your talents?
Why not share them with others?**

Over the years, many people have taught Community Education classes for Jackson County Central. Teaching and sharing skills with others encourages a sense of community and can be very enjoyable. JCC Community Education is always looking for new ideas, classes, activities, and facilitators. Fall class information for August through November is due on or before June 25.

Bad Weather?
Tune in to AM 1190/ FM 105.7 for weather related concerns and cancellations.

**JCC Community Education
Philosophy for Youth Sports & Activities**

JCC Community Education Youth Sports are designed to allow all children an opportunity to have fun, participate and learn fundamental sport skills. We are committed to providing both educational and recreational programs and services. Participants will learn sportsmanship, respect, teamwork, fair play and self-confidence. The sports environment will be safe and well-maintained. Prudent behavior by adults is mandatory.

Essential components of JCC CE Sports Philosophy

1. All children in our communities who meet the basic program registration requirements have a right to participate in JCC CE youth sports programs.
2. JCC CE programs are about the development of the individual and the learning of the sport.
3. JCC CE will offer programs at a reasonable cost while providing quality facilities and quality equipment for both volunteers and participants.
4. JCC CE will recruit volunteers who have the ability to act as role models, mentors and facilitators.
5. All participants in JCC CE youth sport programs shall be treated fairly, and without regard to race, color, disability, religion, sex or national origin.
6. JCC CE youth sport program practices and games should be an enjoyable, challenging and learning experience for all participants.
7. Those people in coaching and leadership positions in JCC CE youth sport programs shall lead by example through the promotion of fair play and sportsmanship.
8. JCC CE programs focus on the enjoyment of the sport—not the score.
9. JCC CE age policy is as follows: a. Children should play at their grade level for CE sports through grade 6. b. In a program set up by grade levels, coaches and volunteers may not bring up a younger player when a player at the correct age level is available—through grade 6. c. If it is necessary to divide a grade level into two teams because of large numbers, the teams should be divided as evenly as possible by skill level. There will not be a “varsity” group and a “b-squad” group. d. Parents may use an “Age Waiver Form” to apply for a higher placement in special circumstances.
10. Parents Guidelines—parents must: a. Select a program that will enhance your child’s emotional, physical, social and educational well-being. Make sure your child is properly equipped. b. Encourage a drug-, tobacco- and alcohol-free environment for their children. c. Recognize that youth sports are only a small part of a child’s life. d. Make a serious effort to take an active role in the youth sports experience of their child providing positive support as a spectator, coach and/or caring parent. e. Be a positive role model for sportsmanlike behavior at games and practices. f. Insist on safe playing facilities and healthful playing situations. g. Insist on equal sports play opportunity for all youth regardless of race, creed, sex, economic status or ability. h. Be drug-, tobacco- and alcohol-free as coaches and fans at youth sports activities.
11. JCC Community Education will follow the MN State High School League guidelines and will not take the place of the high school activities governed by the MSHSL.

Facility Usage

The School Board of Jackson County Central Public School District 2895 recognizes that school facilities belong to all of us. Encompassing a wide range of buildings and facilities, our schools are one of the community’s greatest assets. Allowing groups and organizations to utilize school facilities is an important part of using our schools to the fullest extent.

Obtain a facility use application or to read through Regulations and Charges, visit our website at www.jccschools.com, under the Community tab.

People Powered Health Plans

Eligible UCare members may get up to a \$15 discount on many community education classes in Minnesota. Members must have UCare insurance at the time of registration and throughout the duration of the class. Members need to provide their UCare member ID number when registering for class. Limits and restrictions may apply.

WHY CHOOSE

Discovery Place Preschool and Kids Club Childcare

WE PROVIDE EVERY CHILD WITH A HIGH QUALITY EARLY CHILDHOOD EDUCATION EXPERIENCE THROUGH MOVEMENT, DISCOVERY, AND PLAY.

Empowerment

Our caring educators and staff strive to create a safe, nurturing, and developmentally appropriate environment which fosters personal empowerment, independence, problem solving, learning & growth.

Respect

We believe it is essential to form a healthy relationship with each child and their family through open communication and mutual respect. We believe this is the foundation of a successful school experience.

Play

We believe active play is critical for a child's physical development, emotional development, cognitive development and overall well-being as they continue their lifetime of learning.

YOUTH GARDEN CLUB BY JCC FFA

A fun-filled, educational experience for our youth entering into grades 3, 4 and 5. Students get to plant a garden plot early in the program, be the caretaker throughout the summer, enjoy fruits and vegetables during harvest, and clean-out their plot at the end. Plus, the students have the opportunity to take home their own produce. Each garden will have carrots, radishes, onions, green beans, peas, leaf lettuce, tomatoes, cucumbers and peppers along with zinnias.

As the garden grows, so will their minds with hands-on activities learning about plants including art projects and cooking. Each session will begin in the Ag room at the High School (lower north parking lot, door #10). Then we will move outside, weather permitting.

Our FFA views Garden Club as an excellent opportunity for young people to become connected with agriculture at an early age. Space is limited, so claim your spot!

Instructors: FFA Advisors, FFA High School Members
Dates: Wednesdays
May 25, June 1, 8, 15, 22, 29, July 6, 13, 20, & August 3
NOTE: Garden maintenance and clean-out must be done independently from August 3 - September 10.
Time: 9:00 - 10:30 am
*Exception: May 25 will be 2:15 - 3:45 pm
Location: JCC Ag Room & HS Grounds
Fee: \$30.00
Register By: May 12
Maximum: 18
**We ask that students have a pair of gardening gloves with them each day of class.

Gymnastics = Risk By the very nature of the activity, gymnastics carries a risk of physical injury. No matter how careful the gymnast and coach are, no matter how many spotters are used, no matter what height is used or what landing surface exists, the risk cannot be eliminated. Risk can be reduced, but never eliminated. The risk of injury includes minor injuries such as bruises and more serious injuries such as, broken bones, dislocations, and muscle pulls. The risk also includes catastrophic injuries such as permanent paralysis or even death from landings or falls on the back, neck, or head. - USA Gymnastics I understand that Jackson County Central public schools do not provide any accident or health insurance coverage for my child while participating in athletic programs. I fully understand that it is my responsibility to provide insurance coverage for my child. I am aware that the school district DOES NOT cover athletic injuries. I agree not to hold Community Education, the school, or anyone acting in it's behalf, responsible for any injury occurring to the student named in proper course of such athletic activities or travel. I have read the foregoing and will abide by the principles and regulations contained therein. By signing the registration form, I hereby give my consent for the gymnast named to participate.

STRENGTH + CONDITIONING

Summer strength and conditioning is for all students entering into grades 6-12 in fall of 2022. The program is designed for FUN, injury prevention, functional mobility, and development of speed, strength and power. All of these concepts are valuable and necessary to be competitive and fit life-long. Student athletes will be held accountable, build resilience, as well as learn effective team-building and leadership skills through an emphasis on Focus, Attitude, Consistency, and Effort.

Strength Programming will be centered around the concept of long-term athletic development (LTAD). This approach involves building a wide base of movement proficiency before progressing to more complex and compound movement categories. A higher volume (more reps) at lower intensity (less weight) helps develop general physical preparedness (GPP) for all athletic activities. As athletes progress through the movements and become more proficient, different variations and increased intensity (more weight) will be used throughout as the athlete adapts to the training demands of the summer.

Conditioning Programming will consist of drills that replicate competitive scenarios where the various rest/work ratios are being enforced which will take care of “conditioning” – Often confused with “endurance”. Doing that on top of quality sprints will better prepare the athletes for the demands of their sport. This will not be done in a way that will “burn the steak” where athletes are being run into the ground. “Fresh and Fast” is the emphasis.

Instructor: Collin Munoz

Cost: Grades 6-9 \$100, Grades 10-12 \$125

Dress code: All participants must wear JCC Huskies apparel during workouts with athletic shorts or athletic leggings and closed-toed athletic shoes.

WEST FORK COMPOSITE CYCLING TEAM

Calling all 6th-12th graders (Fall 2022)! Southwest Minnesota is starting a mountain bike racing team through the Minnesota Cycling Association to compete in the Minnesota Middle and High school racing league.

Our local park, Belmont County Park, is projected to have their off-road trails complete mid-summer 2022. Practices will be held here with paved trails and hill training in between. Practice will begin July 1. Racing takes place August through October. Typically each participant will enter into four races each season, but this is completely up to you!

Need a bike? Friends of the Jackson County Trails have purchased four to get the team started.

Registration opens April 1.

Ben Green is a self-published author of young adult fantasy, whose debut novel *Forged in the Fallout* hit shelves in 2021. He grew up in Las Vegas but started his teaching career in southwestern Minnesota. When he's not devising strange worlds and diving into fantastic characters, he's busy playing D&D, hanging out with his own four kids, or teaching social studies in alternative education. Green loves to help mentor new writers, young and old. Learning to tell stories is an adventure worth taking, but any voyage into the unknown can seem daunting. His presentation can help writers gain some perspective. He will also be signing copies of his debut novel *Forged in the Fallout* and its sequel, *In Shadows of Silver*.
