Principal's Report

4/9/25

- I. MTSS Team
 - a. Additional strategies to improve reading scores:
 - i. Make Accelerated Reader a larger part of the reading grade in grades 3-6 to encourage reading at a student's instructional level
 - b. NDA+ April 4-25
 - i. Students must know how important it is to do their best
 - 1. Teachers will communicate this to students
 - ii. There are practice tests available
 - 1. Teachers will have their students do these
 - iii. There is a text to speech option on the test
 - 1. Students need headphones
 - a. We have enough headphones to meet this need
 - c. Interventions Progress
 - i. We moved groups around to make them more efficient
 - 1. A student was holding others back in one particular small group
 - a. This was remedied by moving the student to another group
 - d. Late Start April 2
 - i. The MTSS Team will lead professional development
 - 1. We will focus on behaviors in the classroom...when should the situation be handled in the classroom and when should Mr. Hetler get involved?
 - 2. We had a discussion on the need for teachers to get into other teachers' classrooms to see how they handle behaviors. We also talked about creating guidelines on how to handle certain situations.
- II. Achievement Instruction Team
 - a. In the high school we talked about delaying getting new social studies curriculum due to budget constraints.
 - b. The high school math teacher has concerns with her curriculum because the book doesn't have instructional concepts in the lessons. When the students need to look back to remember how to do the skill, they can't look back in the book. They have to rely on their notes, which could be thrown away or lost. We are on a 7 year rotation for curriculum. We are still a few years away from renewing the high school math curriculum.
- III. Community Relation Team
 - a. April 11: Donuts with Dad
 - b. April 25: Grandparents Day
 - c. May 9: Muffins with Mom
- IV. April 5-9: NWEA MAP Testing
- V. April 10: ASVAB for Juniors 8:30-11:30
- VI. May 8: High School Spring Concert, 7pm
- VII. May 15: Elementary Spring Concert and Art Show, 7pm
