### CHEMIC SALUTES

A BIG salute goes out to Mrs. Bluemer! Mrs. Bluemer has given up days and hours of her time to ensure that the marketing students who were unable to attend Interview Day received individual and group interviews. This great experience would not have been possible without her help.

Colter Mahabir & Anna Gessford- Congratulations to Colter and Anna for representing MHS at this past Saturday's National Chemistry Olympiad! They earned two of the highest scores in the Mid-Michigan area on the opening round tests and qualified for this weekend's next round. They're both truly showing some "Chemic"stryPride!!

Our last salute goes out to our Robotics Team 5509, "Like A BOSS." The team kicked off spring break by competing at the Midland District Event, finishing in 7th place. Their performance impressed Team 2619, "The Charge" from Dow High, who chose them to join the third alliance in the playoffs. They made it to match 12, showcasing great teamwork. On top of that, "Like A BOSS" won the Team Sustainability Award, sponsored by Dow Chemical Company, for their commitment to sustainable practices. The excitement continued as they qualified for the State Championship at SVSU the following weekend, where they finished 14th out of 40 teams in the DTE division. Although they didn't make the playoffs this time, the team should feel proud of their achievements and we all look forward to seeing what they will accomplish in future competitions!

### ANNOUNCEMENTS

#### **P2P:** Hey Chemicals!

Have you seen the Finch display in Eyeball? Finch is a free self-care app you can download on your phone. It helps you build healthy habits and routines by setting small daily goals. As you complete tasks-like drinking water, taking a walk, or journaling-you earn rewards to help grow and take care of your virtual pet bird.

The app makes self-care fun and motivating, whether you're focusing on mental wellness, staying organized, or just enjoying a cute game. Want to learn more? Check out the display in Eyeball and see how Finch can help you to take care of yourself-one small step at a time! Brought to you by P2P.

**AP WEEK:** This week, we are celebrating Assistant Principal's Week here at Midland High! We want to take a moment to recognize and thank our incredible assistant principals: Mr. Albright, Mr. Sergent, and Mr. Wenzell.

They are essential to the success of our school, from supporting students and teachers to ensuring everything runs smoothly each day. Their hard work, dedication, and leadership make Midland High a better place for all of us.

We encourage everyone to take a moment to greet them and show appreciation for all they do. MHS would not be the same without them.
