

Tawas Area Schools Mobile Device Insurance Agreement

Each Tawas Area High/Middle/Elementary School student grades K-12 is being provided with a Chromebook package at no cost. This package includes a Chromebook, charging cord and appropriate, pre-installed applications.

Tawas Area Schools recognizes that families may have concerns regarding their child receiving a mobile device. As a result, TAS is providing families an opportunity to purchase mobile device insurance for their student's device for \$25 annually, which would cover the school year it was purchased. TAS highly recommends that families purchase insurance for their student's mobile device. This insurance policy would cover loss, theft, and/or damage incurred to the device.

Students with insurance who experience damage to their mobile device will be charged the applicable "With Insurance" deductible as opposed to the full repair or replacement costs listed below.

Chromebook parts and replacement costs are as follows:

PARTS	WITH INSURANCE	WITHOUT INSURANCE
FULL REPLACEMENT	\$100.00	\$303.00
SCREEN	\$30.00	\$60.00
KEYBOARD	\$30.00	\$60.00
POWER PORT	\$15.00	\$30.00
CHARGER	\$15.00	\$30.00

Other costs: To be determined through appropriate assessment up to the full coverage of the student device.

The District will repair or replace equipment that is deemed to be a manufacturing defect at no cost to the student family. TAS will repair or replace failing or damaged equipment that stops working from normal use. The cost for all malicious or accidental damage, lost or stolen devices and equipment will be the responsibility of the student/parent/guardian. The District will invoice the students for the cost of the applicable repairs, or the deductible for said repairs, if the student purchased mobile device insurance. In the event of a lost or stolen device, the TAS District may deploy location software, which may aid in recovering the device.
