

Enrichment Activity Matrix - Early Grade 5

Please contact your child's teacher for login information for KidsA-Z.

Additional resources for English Language Learners (ELL) are [here](#), language arts (ELA) are [here](#), and mathematics are [here](#).

Reading & Writing	Mathematics	Science and Social Studies	Health & Social/ Emotional Learning	Art & Music	Physical Education/ Brain Break
Choose a just-right book and read for at least 50 minutes.	Write 3 division story problems. Ask someone to solve them and check their work.	Choose an experiment from Science Fun to do.	Make a list of 5 safety tips every kid should know to stay safe.	Draw something you see when you look: <ul style="list-style-type: none"> • Around your bedroom • Out your window • In the mirror • At a pet or family member 	Play a game outside.
Choose a fiction book on: <ul style="list-style-type: none"> • LearningA-Z • Tumble books • PebbleGo • Epic! Read it and take a quiz.	Pick one: <ul style="list-style-type: none"> • Practice division facts for at least 15 minutes. • Do a math activity at Math At Home. 	Create an ABC book of science vocabulary words. Choose a letter and a corresponding vocabulary word, and create a page explaining what the term means.	Do something kind for someone in your family.	Listen to a song. Try to identify the instruments you hear.	Play a non-electronic game with someone at home.
Choose a nonfiction book on: <ul style="list-style-type: none"> • LearningA-Z • Tumble books • PebbleGo • Epic! Read it and take a quiz.	Play "Rock, Paper, Scissors, Math" with a partner. After player say, "Rock, Paper, Scissors" the last call-out is "Math". With that call, each person lays out 1, 2, 3, or 4 fingers in the palm of their hand. The first player to say the correct product of both players' fingers wins.	Write a "What if" story to explain what might have happened if a discovery had not been made (such as electricity, washing machine etc.).	Write about the time you felt you were treated unfairly. How did you handle it? Do you wish you would have done anything differently?	Create your own homemade musical instrument from objects you can find at home (such as empty boxes, pencils, toilet paper rolls, etc.)	Make a "continuation story" with your family. One family member begins a story for 30 seconds. Another family member picks up where the story left off. Continue until each family member has contributed to the story.
Write a letter to a friend or relative. Mail or email it to them.	Choose a fifth grade activity on Khan Academy to complete.	Learn something new at NSTA .	Create an "Online Safety" poster that lists at least 5 ways kids can be safe online.	Write your own song about your name or your family.	Clean or organize your room.
A hero is someone who is admired for their courage and achievements. Write about your heroes. Describe why you admire them.	Go outside for a nature hike. Look for examples of the following geometric shapes in nature: rectangles, circles, triangles, ovals, cylinders, cones, rectangular prisms.	Choose a wonder to watch and explore at Wonderopolis .	What does it take to be a good listener? List the qualities of a good listener. (Hint: What do good listeners do/not do?)	Read a poem at POETS and draw a picture of what you visualize while reading the poem.	Help with a chore.
