# **Parent & Student Acknowledgement**

## **2023-2024**

This Student Handbook has been written so students and family members know what behavior is expected and prohibited at school or at school activities. It is helpful if parents are aware of school rules so they can help support them from home. Failure to return this acknowledgement will not relieve a student or the parent(s) from the responsibility for knowledge of the contents of the Student Handbook.

I have read the Student Handbook and Policy Violations and Consequences, understand, and will abide by their content.

# School Day Procedures

## Regular Class Time

**LIBERTY COUNTY HIGH SCHOOL:** The official school day begins at 8:00 A.M. Students will be dismissed at 2:56 P.M.

**W. R. TOLAR K-8:** The official school day begins at 8:00 A.M.

Dismissal times are as follows:

- PreKindergarten-2nd will dismiss at 2:35 P.M.
- 3rd-5th will dismiss at 2:40 P.M.
- 6th-8th will dismiss at 2:45 P.M.

**HOSFORD ELEMENTARY & JUNIOR HIGH SCHOOL:** The official school day begins at 8:15 A.M. Dismissal times are as follows:

- PreKindergarten-8th will dismiss at 3:05 P.M.
- Car pick-up students will report to the cafeteria.
- Bus students will report to their designated area.

## Student Check Out Procedures—Regular School Day

No student will be checked out of school unless approved through the office. Teachers must have this verification before releasing any student. Only the custodial parent or their designee can check out students. If anyone other than the custodial parent wishes to check out a student, they must either be listed on the student emergency card located in the front office or have a written note signed by the custodial parent.

**PHONE CALLS WILL BE ACCEPTED IN EMERGENCY SITUATIONS ONLY & MUST BE MADE TO THE FRONT OFFICE BEFORE 2:15 @ Tolar & 2:30 @ Hosford!**

## Transportation

When a student is to change his or her mode of transportation from school, the office must be notified in writing in advance. If parent authorization is not received, the student will be required to be transported home as usual. Please remember to send a written note or come by the office, and the student will be issued a "bus note". Written documentation is required to ensure the safety of our students.

Phone calls will be accepted in emergency situations only.

School bus transportation is a privilege that may be withdrawn for inappropriate behavior. Any misbehavior that distracts the bus driver is a very serious violation and jeopardizes the safety of everyone.

Violation of bus rules will result in disciplinary action including bus suspension. When a student is suspended from riding the school bus due to misconduct, his/her absence from school is not excused.

Students who walk or ride bicycles are expected to leave school immediately after they are dismissed. Students riding bicycles or walking home after school must walk/ride around the bus pickup/parking area. Please refrain from cutting across the parking lot.

## Parent Conferences

Parents should contact the guidance office to arrange team conferences with teachers. Prearranging a conference allows the teachers time to gather all relevant information and allows the school to schedule the meeting around the teachers' classroom duties. Most conferences are scheduled during the teachers' planning periods or after school between 2:50 P.M. and 3:25 P.M. Conferences may be requested by the teachers, parents, administrators, counselors, or students. Students are expected to attend their conferences. To assist you with individual teacher communication, we encourage the use of email and/or voicemail, or Parent Square.

## Parent Portal: FOCUS

FOCUS provides detailed information in a timely fashion (<https://liberty.focusschoolsoftware.com/focus>). Please understand that grades are not updated immediately, and individual teachers establish their routine of updating once a week (by 5:00 P.M. on Monday for the previous week's grades). If you have difficulty accessing the website, please contact the guidance department, and they will help in assisting you.

## Visitors

We invite and encourage parents to visit our school. Please contact your child's teacher at least a day in advance of your visit, so they can arrange seating, etc.

**For the safety of our children and staff, all visitors are required to check in at the front office and MUST display a visitor's pass prior to a classroom visit.**

## Jessica Lunsford Act

The Jessica Lunsford Act was passed by the 2005 Florida Legislature and signed into law by Governor Bush following the assault and murder of Jessica Lunsford in Homosassa Springs, Florida. This crime was allegedly committed by an individual who had at one time worked as a subcontracted mason at Jessica Lunsford's school.

The Act focused primarily on increasing the measures used to monitor sexual offenders or predators. However, part of the Act specifically related to individuals with access to school district campuses.

Due to this law, Section 1012.465, Florida Statutes, the Liberty County School Board is required to implement safety procedures for anyone entering a school campus during the **regular school day** having access to students. The following procedures were implemented on all school campuses during the 2011-2012 school years and will remain in effect:

- All adults on campus must have a district-issued picture **ID that is worn and always in view.**
- All visitors must sign in at each school office before going anywhere on campus and then sign out as they are leaving.
- All visitors without an approved picture ID will need to present their driver's license to the school's receptionist, so that the individual can be screened and issued a single day picture ID.

If you are a parent that comes to campus daily, you will need to contact the school's principal about obtaining a more permanent ID.

These steps are being taken to ensure the safety of ALL children on our campuses and to comply with state statutes. With the community's cooperation and consideration, we were successful in implementing these additional procedures.

# School Bus Policy

The bus is an extension of the school campus. Therefore, students will adhere to all conduct rules, including those addressing medication, while riding a School Board of Liberty County, Florida, school bus. Only a student who is regularly enrolled as a transported student and whose name appears on the bus driver's enrollment card for that bus shall be permitted to ride such a bus while it is being operated on a regular school bus route, except upon the written request of the parent(s) or legal guardian of a student and with the written approval of the principal/designee.

**Section 1006.10 (1-7), Florida Statutes gives school bus drivers the authority to monitor and control the behavior of students any time they are being transported to and from school or school functions at public expense.**

**Students being transported on a school bus must comply with the following rules. [SBP:5610.04]**

1. Get on/off at their regularly appointed bus stop unless written parent/guardian permission is provided to the school admin early in the day to allow for verification.
2. Occupy the seat assigned by the driver and refrain from moving around while the bus is in motion. Seat belts must always be correctly fastened upon taking their assigned seat and worn if the bus is designed with seat belts.
3. Wait until the bus has come to a complete stop before entering or exiting the front door of the bus. Students shall form a line to ensure safety in getting on or off the bus.
4. Be at the bus stop at least five minutes before the bus's arrival but not more than fifteen minutes before arrival. Observe proper rules of conduct while waiting for the bus. Students shall stay at least five feet off the road and off private property.
5. If it is necessary for a student to cross a road to board a bus, the student should wait until the bus arrives and the driver deploys the stop arm and flashing red lights. The student should make visual contact with the driver, watching for the Department of Education's (DOE) adopted crossing signal. The student should then make a right and left check for traffic and cross twelve (12) feet in front of the bus.
6. If it is necessary for a student to cross a road after unloading from a bus, the student should stand at the side of the bus in sight and hearing of the driver. The student should make visual contact with the driver, watching for the DOE's adopted crossing signal. The student should then make a right and left check for traffic and cross twelve (12) feet in front of the bus.
7. Always obey the driver and monitor and follow the standards of conduct while riding the schoolbus. Report promptly to the principal when instructed to do so by the driver. Bus infractions may result in an out of school or bus suspension.
8. Keep all body parts and belongings inside the bus windows.
9. Keep from littering, throwing, or propelling objects inside the bus.
10. Keep from throwing or propelling items outside the bus windows. (Behavior that violates this rule may be classified as a felony. The student and the parent/guardian shall be held responsible for any damages that result from such an act.)
11. Keep from defacing or vandalizing a school bus. Restitution will be required for any damage sustained to the bus.

12. Use the handrail when entering and leaving the bus. Be careful that loose straps or drawstrings on articles of clothing or backpacks do not get caught on the handrail.
13. Follow emergency evacuation procedures when appropriate.
14. Always observe classroom conduct rules (except for ordinary conversation). Silence on the bus shall prevail while the bus is stopped for railroad crossings or for discharging students. When the bus is in motion, only talk to the driver if it is necessary and be quiet when the driver turns the dome lights on, raises a hand, etc. One of these signals will be used at railroad crossings.
15. Use of profane or objectionable language or engaging in any other objectionable conduct is prohibited. There shall be no pushing, fighting or any other type of misconduct at any time.
16. Possession of sharp/dangerous instruments or any type of weapons on the bus is prohibited.
17. Bring no animals, glass containers, skateboards, food, or drinks on the bus.
18. Use or have no tobacco products (smoking, chewing, dipping) or other mood-altering substances while on the bus.
19. Bring no bulky or inappropriate objects on school transportation that may block the driver's view or aisles and emergency exits.
20. Wear no bathing suits on the bus.

**Note:** *Liberty County buses are equipped with video/audio cameras for security purposes. Students are being taped during their ride. These tapes may be used to determine violations of the Code of Student Conduct. Only authorized school personnel can view a bus video/audio recording, when the need arises, due to the protection of other students' privacy.*

*Students may use wireless communication devices (WCDs) on the bus. When a student is suspended, or expelled from the bus, they are not permitted to use **any** School Board of Liberty County, Florida, school bus for extracurricular activities or field trips during the suspension or expulsion timeframe. At the principal's discretion, a student with a Level I or II infraction may be allowed to ride the bus for extracurricular activities only or field trips that are academic in nature.*

*Parents are responsible for their children at the bus stop. However, school officials may address misconduct by students at a bus stop. Bus drivers may issue bus referrals based on behavior they observe at bus stops and administrators may investigate and discipline accordingly. §§ 1006.07(2)(h), 1006.09(1)(b), and 1006.10(3), Florida Statutes*

### **The consequences for bus referrals are as follows:**

- **1<sup>st</sup> Referral:** Warning and/or Detention, at principal's discretion
- **2<sup>nd</sup> Referral:** ISS or Corporal Punishment, at principal's discretion
- **3<sup>rd</sup> Referral:** 3-5 days Bus Suspension, at principal's discretion
- **4<sup>th</sup> Referral:** Bus Expulsion (90-day minimum) or at principal's discretion, a 10-day Bus Suspension with a parent/guardian/principal conference & a written, signed, behavior agreement, may defer expulsion. Any Level IV offense occurring on the bus may result in a recommendation for expulsion.

The above is not all inclusive and is meant only as a guide for the principal, assistant principal, or designee. The administrator may, due to the severity and nature of the offense, deviate from the above prescribed consequences and administer a more appropriate disciplinary action.

# **Student Code of Conduct and Student Progression Plan**

As required by law, each school shall provide a copy of the Student Code of Conduct and Student Progression Plan for parents who request one. Copies are available at our school and will be sent home with your child if requested in writing or by phone. You may also pick up a copy from the front office. These documents are also located on the district website – <https://www.lcsb.org>.

## **Attendance Policy**

### **Excused and Unexcused Absences**

Absence is defined as non-attendance of a student at school or in an approved educational activity/field trip or program on days' school is in session. A student who is not physically present at school or not participating in an approved school activity shall be counted absent and shall not be recorded as in attendance on that day. The law allows absences for reasons listed below: under these circumstances school policy regards these absences as excused. A student with an excused absence is not subject to any disciplinary or academic penalties. Absences/tardiness shall be excused only for the following documented reasons:

1. Illness and/or medical care
2. Death in the family (See Code of Conduct for details)
3. Legal reasons
4. Approved religious holidays (with Parent Note denoting holiday being observed)
5. Financial and/or other insurmountable circumstances
6. Curriculum related field trips and/or functions of the school approved by administration.

## Reporting an Absence

A written note, explaining why the student missed school, is required upon the students' return to school and must be submitted to the front office **within five days** of the student absence, to receive an excused absence. If a written note is not received in this timely manner (five school days), the absence will remain unexcused. The school will accept a parent note for an excused absence for up to three days in a quarter unless there are extenuating circumstances.

## Unexcused Absences

An unexcused absence takes place any time a child is out of school for reasons not recognized in the law. In these cases, the child may be subject to academic penalties. Unexcused absenteeism, enough to jeopardize academic progress at the school level, is defined as a student being absent without an acceptable reason five (5) times in a calendar month or ten (10) times in a 90-calendar-day period.

Determination of whether an absence is excused or unexcused is the responsibility of the local school principal or designee. Students who arrive after the tardy bell must report to the front office to sign in and receive an admit slip. Refer to field trip policy.

## Required Seat Time for All Classes

Florida Statute 1003.436(1)(a) For the purposes of requirements for high school graduation, one full credit means a minimum of 135 hours of bona fide instruction in a designated course of study that contains student performance standards, except as otherwise provided through the Credit Acceleration Program (CAP) under s.1003.4295(3).

In accordance with this statute, 9<sup>th</sup>-12<sup>th</sup> grade students at Liberty County High School and Liberty Learning Center will implement the following policy:

**A student that does not complete the required 67.5 seat time hours (75 class periods) per ½ credit attempted will receive an Incomplete until the hours are made up during summer school. Upon satisfying the seat time requirement, in addition to a passing grade, the student will then receive the ½ credit. This policy applies to all unexcused absences including pre-approved absences.**

Attendance procedures shall be carried out in accordance with the Liberty County Student Code of Conduct and the high school attendance policy.

Exception: Students will not be awarded any credit in courses for which there is a state mandated End of Course exam until results of the EOC exams are assessed and added as 30% of the yearlong grade.

## **Tardiness**

Any student not in the classroom when the tardy bell rings and up to 10 minutes late is considered tardy.

Any student entering the classroom after 10 minutes will be considered skipping unless he/she has a tardy slip from the front office.

If a student skips class, the teacher will send a referral to the office and the student will remain in class.

**(K-8 Schools)** The first two will be a warning. Whereas the 3<sup>rd</sup> and every subsequent tardy will result in a day of break/lunch detention and a parent will be contacted.

A tardy that occurs at the beginning of school requires the student to check in through the front office.

**(LCHS Only)** Tardies that occur after lunch require the student to check in through the front office. (Every tardy will result in a lunch detention the following day.)

## **Early Check Out / Leaving School Grounds Before the End of the School Day**

All students leaving school prior to the end of the school day must sign out through the main office. No student shall be sent from the campus during school hours to perform errands or act as a messenger except with the knowledge and approval of the principal, and then only for necessary and urgent school business. No student shall be permitted to leave school for the remainder of the day, prior to dismissal, in the custody of a person other than the student's parent or guardian unless that person has the verified authorization (written or verbal) of one of the parents or guardians. No students should be called out of class for early check-out after 2:15 P.M. (Tolar) and 2:30 (Hosford). All students leaving early must be checked out before this time unless it is a medical or legal emergency.

## Emergency Messages

Parents may call the front office by 2:15 P.M. (Tolar) or 2:30 P.M. (Hosford) to make changes in after-school arrangements. To ensure these messages will be delivered to your child, speak directly to school staff. Students can call parents only if given permission by their classroom teacher. Since these requests disrupt valuable learning time, they are carefully screened and reserved for special needs or extenuating circumstances only.

## Pre-approved Absence

Students who anticipate an absence other than a field trip or school sponsored activity, may receive an **authorized unexcused** absence of up to 5 days total, once per school year, if a parent/guardian's written explanation of the absence is pre-approved by the principal or designee at least **one week prior to the absence**. Although the absence is unexcused, the student will be allowed to make up any missed work and receive full credit for submitted assignments. It is the student's responsibility to obtain and make up any work assigned by teachers and/or administrators during that absence.

## Attendance Notification System

It is the parent's responsibility to notify the school of any change in phone number. When a student is marked late or absent in a class, the computer automatically generates a phone call to the phone number designated by the parent/guardian, through Parent Square. In the event such a call is received and there are questions concerning the student's absence, please call the school to verify the absence. Absences can be monitored by parents or students by logging into FOCUS Parent Portal. There is a direct correlation between student learning and consistent and prompt attendance in class. Thus, absences, whether excused or unexcused, affect academic performance and grades. Students and parents should understand that poor attendance will affect the student's opportunity to participate in any extracurricular activity or school sponsored event. If a student is absent from school (three or more periods) he or she is considered absent and will not be allowed to participate in extra-curricular activities that day.

## Truancy

A truant is one who is not in attendance, with or without approval of the parent or other person having charge of the student, and whose absence has not been excused. Based on F.S. 1003.26, if a student has had at least five unexcused absences, or absences for which the reasons are unknown, within a calendar month or 10 unexcused absences, or absences for which the reasons are unknown, within a 90-calendar-day period, the student's primary teacher shall report to the school principal or his or her designee that the student may be exhibiting a pattern of

nonattendance. The principal shall, unless there is clear evidence that the absences are not a pattern of nonattendance, refer the case to the school's child study team to determine if early patterns of truancy are developing. Based on F.S. 1003.01, a habitual truant is a student who has fifteen (15) unexcused absences within ninety (90) calendar days with or without the knowledge or consent of the student's parent or legal guardian. If a child subject to compulsory school attendance will not comply with attempts to enforce school attendance, the parent, the guardian, the Superintendent, or his/her designee shall refer the case to the district staff. If the child has had more than 15 unexcused absences in a 90-calendar day period, the Superintendent or his/ her designee may file a truancy petition pursuant to the procedures in F.S.984.151. The superintendent must provide the names and identifying information of these students to the Department of Highway Safety and Motor Vehicles (DHSMV). DHSMV may not issue a drivers' license or learners permit or may suspend the driving privileges of any reported student until the student has satisfied regular school attendance requirements as outlined in Section 322.091, Florida Statutes.

## Make-up Work Policy

Since all classroom work and homework is important to education, students will be required to make-up work missed if absences are excused, unexcused, or due to out of school suspension. Students will not receive credit if the absence is due to an out of school suspension. Please read below regarding unexcused and excused absences:

**Excused absences:** It is the student's responsibility to make up the work within the time frame for make-up work (the number of days missed plus a day). Students will receive credit for this work.

### **Unexcused absences:**

- Elementary: Students with unexcused absences are responsible for planning with the teacher to make up all work and assignments within the number of days missed plus a day (i.e.: if the student is absent for 1 day, he/she will have two days to make up the work). Arrangements to make up work are to be made with the teacher and are the responsibility of the student. Elementary students will receive full credit for made up work.
- Middle & High School: Daily school assignments missed because of an unexcused absence may not be made up by the student for credit.

# Wireless Communication Devices

**Possession of a cellular telephone or other wireless communication device (WCD), by a student is a privilege, which may be forfeited by any student who fails to abide by the terms of this guideline, or otherwise engages in misuse of this privilege.**

**K-8 students** are prohibited from using cellular telephones or other electronic communication devices (WCD) or having them "On" during the school day.

**High School students** may use wireless communication devices (WCDs) before and after school, during their lunch break, between class periods, and during after school activities (e.g., extracurricular activities). "Using" refers to, not only the making and/or receiving of calls, but also using the cellular telephone or WCD for any other purpose (i.e., sending text messages, taking pictures, making recordings, etc.)

## **All Students**

Students may not use cellular telephones or WCDs on school property or at a school sponsored activity to access and/or view Internet web sites that are otherwise blocked to students at school.

During instructional time, students may carry cellular telephones or WCDs in a backpack, purse, or inside a pocket of slacks, jeans, jacket, etc. provided they are "off" and not just in vibrate or silent mode. Upon entering the classroom, the student must store their cellphone in their backpack, purse, or a teacher provided station. Cellphones must stay out of sight for the duration of the class period.

A student may keep the cellular telephone or WCD "on" under the following circumstances with prior approval of the building principal:

- The student has a special medical circumstance (e.g., an ill family member, or his/her own special medical condition).
- The student is using the cellular telephone or WCD for educational or instructional purposes with the teacher's permission and supervision.
  - If phones are not being utilized for educational purposes, the teacher has the statutory authority to designate an area to store them during instructional time.

Students participating in extra-curricular activities and athletics must contact their coach or sponsor for his/her rules involving cellular telephone or WCD use. Coaches and sponsors will set their rules and enforce consequences involving the use and/or misuse of these devices.

The School Board is not responsible for the loss, theft, damage, or vandalism to student cellular telephones or WCDs as well as other student property. Students and parents are strongly encouraged to take appropriate precautions, if students have cellular telephones or WCDs in their possession, to make sure the cellular telephones and WCDs are not left unattended or unsecured.

Using a cellular telephone or other WCD in an unauthorized manner or in violation of the policy, may result in loss of this privilege, additional disciplinary action (e.g., warnings, parental notification conferences, corporal punishment, suspension, or expulsion, confiscation of the cellular telephone or WCD (in which case, the cellular telephone or WCD will only be released/returned to the student after the student complies with any other disciplinary consequence that is imposed and/or referral to law enforcement if the violation involves an illegal activity (e.g., child pornography).

Additionally, use of a WCD in an unauthorized manner includes its use in recording a fight, battery, or any other inappropriate content; as well as sharing it with others (social media, airdrop, text, etc.). If students are caught recording this material and sharing it, they will receive disciplinary action per the Student Code of Conduct.

Parents/guardians are advised that the best way to get in touch with their child during the school day is by calling the school office. Students may use school phones to contact parents/guardians during the school day with permission from the teacher or principal.

## **Dress Code Policy**

### **~DRESSED FOR SUCCESS INITIATIVE~**

The Liberty County School District has an existing policy in place that governs the dress code of staff and students. The schools have further guidance in their respective student handbooks. For the past few years, it has been a challenge to keep up with the numerous violations of these policies and procedures. This school year I would like to introduce you to our **“Dressed for Success”** initiative. Our job as a school district is to prepare our students for future success in the workplace. Students need to be prepared both in academics as well as in professionalism; and part of that professionalism is the way they dress. We prepare for that time now. There are 3 areas of focus for the **“DRESSED FOR SUCCESS”** initiative:

1. Wear clothes that are **APPROPRIATE** – Just as athletic teams wear uniforms that are appropriate for their respective roles, the workplace demands the same. Clothes that have holes, suggestive or offensive language, or dirty clothing are usually not accepted in the workplace whether in state government and/or the private sector. Each employer wants their employee to properly represent their companies. The first impression of anybody usually is based on the appropriateness of their clothes. We want our students to wear clothes that are **APPROPRIATE**.
2. Wear clothes that are **MODEST** - Appropriate clothing also must be modest clothing. The revealing of our bodies (chest, torso, and buttocks) can easily become a distraction in the classroom. High School students are continuing to mature physically on different timelines. We want our students to be proud of their bodies, but also be modest in their clothing choices as most jobs require. Extremely tight clothing and sometimes extremely loose clothing can reveal genitalia and/or underwear which ALWAYS distracts the learning process and is extremely unacceptable. Modest clothing covers up everything properly. Again, we want our students to be proud of their bodies but wear clothes that are **MODEST**.

3. Wear clothes that are **ACCEPTABLE** – We need our students to follow the dress code. It clearly states what clothes are acceptable and what clothing is not acceptable. These are the rules of the schools. Just as each business in the world of work has a dress code policy, the school does as well. It is great preparation for the work world to follow policy now. Dress Code policies differ from job to job, but the dress code for our schools is simple and easy to understand. We need to drastically reduce time lost in the classrooms due to students being sent home to change into clothes that are acceptable. We humbly ask for all our students to follow the rules and come to school wearing clothes that are **ACCEPTABLE**.

Many times, throughout the day, we have visitors to our schools. This last year we received visits from Governor DeSantis (twice), Senator Marco Rubio, Rep. Jason Shoaf, Sen. Lorraine Ausley and many other important people who came to see about all the wonderful things going on in the Liberty County School District. The most important folks that visit our schools are **PARENTS**. Parents are expecting us to help aid in the development of their children in many areas with education being the primary focus. We feel our appearance to each other and to others is an important part of that preparation for real life. We humbly ask all parents to be very involved in the lives of their children (our students) to make sure they wear clothes that are **APPROPRIATE, MODEST, AND ACCEPTABLE**. We want ALL our students to be **SUCCESSFUL** and that starts at home as we work together to accomplish this goal. Please help us by making sure YOUR KIDS leave home **“DRESSED FOR SUCCESS”**.

Go Panthers and Go DAWGS!  
Sincerely,

Kyle Peddie  
Liberty County Superintendent of Schools

A student's apparel and grooming shall be the responsibility of the individual student and his or her parents or guardians. Each student is expected to dress appropriately and in such a manner that it is respectful to self and others. Dress and grooming shall be clean, healthy, and safe and shall not be permitted to disrupt the teaching and learning environment.

Students shall not wear sunglasses in the classroom, hallway, or other indoor instructional spaces. Hats are not allowed on campus. Effective July 1, 2011, State Law prohibits a student, while on the grounds of a public school during the regular school day, from wearing clothing that exposes underwear or body parts in an indecent or vulgar manner or that disrupts the orderly learning environment. This dress code is designed to promote safety and good hygiene as well as allow students the convenience of dressing comfortably while at school. Encouraging students to dress appropriately for school will prepare them to be productive members of society.

## **District Head Lice Policy**

Because the school brings many children together in close daily contact, they serve as a focal point for the transmission of illnesses and other problems, including head lice. To combat headlice infestation and the spread of it, we have adopted the following policy:

All elementary students will be screened for evidence of head lice at the beginning of the school year and thereafter a date determined by the school principal. If identified as having evidence of head lice, the student's parent/guardian will be notified, and the student will be excluded from school until they are determined to be NIT FREE by the school health nurse. When a student returns to school following treatment, he/she MUST be accompanied by a parent. The parent will be required to wait while the school health nurse rechecks the child's hair for evidence of head lice. If nits or head lice continue to be present, the child will not be allowed to return to school. The child must be NIT FREE to be readmitted in school.

Middle school and high school students will be screened if younger brothers or sisters are infested if symptoms are present or if screening is requested.

The school will allow three (3) excused absences for head lice infestation. If the student is sent home before lunch, that one day will be their excused absence. If the student is sent home after lunch, the following day will be their one excused absence. Subsequent absences for the same infestation will NOT be excused since proper treatment of the affected student and the home environment should not take more than 24 hours.

# Athletic Policy

These policies are included for the information of all parents and students. Athletes will be required to have a signed copy on file prior to participation in any sport.

To maintain a consistent, structured athletic program at school, these policies have been created for all our student athletes to follow.

## **Policies**

- A. Any student traveling with an athletic team for school sponsored contests or extracurricular activities must use the transportation provided by the school board when traveling to and may use the transportation when traveling from the contest. An approved athletic pick-up list must be completed prior to the athletic event. An exception may be made to this rule only in extenuating circumstances. In this case, the coach will use his/her professional judgment on whether the situation is deemed necessary. If such a situation is known prior to the contest, the athletic director or an administrator must approve it.
- B. Students are required to attend practice daily. Coaches will announce the starting and ending times of practice. Failure to attend practice will result in disciplinary action determined by the coach.
- C. Students are required to be in school a minimum of 1/2 day to participate in a scheduled practice or contest. An exception to this rule will be made in case of emergencies ONLY. The administration will have the final say in whether the situation is classified as an emergency.
- D. Academic requirements for **Hosford & Tolar**: Students must meet academic requirements set by your school. Any student who wishes to participate in extracurricular activities for the fall semester must have an overall grade point average (GPA) of 2.0 or higher for the last nine weeks grading period of the preceding school year to be eligible. Eligibility for any other sports will be based on the preceding nine weeks' GPA. A middle school student must have a 2.0 GPA, or the equivalent of a 2.0 GPA based on a 4.0 scale, after each semester. 9.2 Middle School GPA Calculation. For grades 6 through 8, the semester GPA will be calculated after each semester by taking the sum of quality points earned (as per FHSAA Bylaw 9.4.2) divided by the number of credits attempted during that semester. 9.3 Academic Records. A student must provide the school with all the information the school needs to determine the student's eligibility using the scale in Bylaw 9.4.2. The student cannot be declared academically eligible by the member school until all such information is received to its satisfaction. Final grades previously earned by the student 2015-16 FHSAA Middle School Guidebook 17 shall not be converted using the scale in Bylaw 9.4.2. 9.4 Attendance During Previous Two Consecutive Semesters Required. A student cannot be academically eligible if he/she has not attended school and received grades for all courses taken during the previous two consecutive semesters.
- E. LCHS: See FHSAA Academic Policy.
- F. The use of alcohol and/or illegal drugs will result in immediate dismissal from the team.
- G. The use of tobacco, and/or nicotine products, will result in disciplinary action. The 1<sup>st</sup> offense may not result in dismissal from the team. The 2<sup>nd</sup> offense of tobacco use/possession will result in removal from the team.
- H. Students must attend to personal appearance and grooming. During the school year, the following items will be at the discretion of the coaching staff: jewelry (earrings, belly button rings, etc.), hairstyles (which include length and color), facial hair and body art (tattoos, scarification, or drawings).
- I. Out-of-school suspension, the 1st out-of-school suspension, (other than for tobacco) may result in the player being put on probationary status, or being

removed from the team, principal discretion. The 2nd out- of-school suspension will result in dismissal from the team.

- J. At all times students are expected to be a positive influence on the team and to respect their coaches. Any deviation from this standard may result in disciplinary actions determined by the coaching staff.
- K. It is expected that parents will pick up students at the end of games and practices. If a student has not been picked up 30 minutes after practice has ended, the parents are deemed LATE. Pickup by anyone other than the parent/legal guardian will not be tolerated unless a signed permission slip is provided by the parent/guardian. Students who walk home after a practice or contest must also provide a signed permission note from the parent/ legal guardian.
- L. Good sportsmanship is the only conduct we will tolerate from our athletes. Any violation of this will receive disciplinary action.
- M. Physical examination, Parent Consent, Impact Testing (Football players only), Concussion & Heat Forms, and Affidavit of Compliance with Policy on Athletic Recruiting (for high school students transferring from another district) are required upon transfer to participate in any athletic event. (This includes try outs, practices and games.) Copies must be kept on file.
- N. All athletes must submit their birth certificates to the school's guidance office for review and approval. A copy will be kept on file.
- O. All uniforms, equipment, books, etc. issued to the student while participating in an extracurricular activity must be returned at the end of the season. The student will not be allowed to participate in another extracurricular activity, or school program, until items are returned to the appropriate coach.
- P. Coaches reserve the right to schedule mandatory practices on Saturdays.
- Q. All practices, excluding summer workouts, should be concluded by no later than 8:00PM EST. Wednesday will be an exception, as practices will conclude no later than 6:00 PM EST.
- R. No games will be scheduled on Wednesdays without prior approval from administration.
- S. Any athlete who quits or is suspended from a team for disciplinary reasons shall not be eligible to participate on another school team until the season for the original sport has concluded. Exceptions to this are made only with the approval of coaches,athletic director, and an administrator.

**Coaches have the sole responsibility and authority to choose their team based on the criteria they feel is needed for the sport/activity.**

## **Dress Code Requirement for Athletes**

The Liberty County School System prohibits students from wearing clothing to school during the regular school day that indecently or in a vulgar manner exposes underwear or body parts or that is disruptive to orderly learning environment.

For first offenders, the school is required to give the student a verbal warning, and the principal must call the students' parent or guardian.

For a second offense, the student is ineligible to participate in extracurricular activitiesfor up to (5) days and the principal must meet with the parent or guardian.

For the third or subsequent offenses, the extracurricular activities are for up to (30)

days; the school must place the student in in-school suspension for up to three days; and the principal must call and send written notification to a parent or guardian.

In addition, all students participating in extracurricular activities will adhere to appropriate dress code in the Liberty County Code of Student Conduct.

## Field Trip Policy

1. The classroom/supervising teacher will contact chaperones needed for field trips.
2. Students are required to ride to and from school on the bus unless prior arrangements have been made with the teacher and approved by the principal.
3. Chaperones will supervise children as assigned by the teacher. Chaperones are expected to enforce the guidelines and rules as set by the teacher.
4. Chaperones are to contact the front office to obtain a field trip pass on the day of the scheduled trip.
5. Non-school employees must provide their own transportation to and from the field trip location. (In extenuating circumstances this may be allowed with the approval of the Superintendent. Must meet requirements in accordance with the Jessica Lunsford Act.)
6. Only children in the designated field trip class are to accompany parent chaperones.
7. Students who have debts at the school will not be able to attend any field trips until the debt is paid in full.
8. Students who have 3 referrals in a semester, or 5 referrals in the school year, that are classified as a level II or higher will not be allowed to attend any field trips.
9. Students that are considered truant under the Truancy Policy in statute (F.S. 1003.26) will not be allowed to attend any field trips.
10. Students must have a Semester GPA of 2.0 to participate.

Most field trips have an educational purpose. Assignments may be a part of any field trip. Students who miss a trip in which an assignment is given may be required to do an alternative assignment.

# Disciplinary Procedures

Since misconduct of any degree of frequency is undesirable and not conducive to a positive learning environment for all, students should understand that certain consequences are applicable to their behaviors.

A wide range of alternatives is offered as consequences to infractions. Positive means of discipline will be used to solve behavioral problems whenever possible. Such actions include conferences by various school personnel to determine the nature of the student's difficulty and to aid the student in working out a plan to resolve the problem.

Other alternative measures are available to impress upon the student that disruptions to the learning environment will not be tolerated. Because some behaviors are more serious and disruptive than others, the frequency, nature, and degree of the misconduct as well as the age of the student will determine the specific disciplinary action to be taken. The principal or designee will make the decision as to which alternative properly suits the infraction.

Examples of disciplinary actions include, but are not limited to:

- Administrative change in school program
- Alternative assignments with the purpose of modifying behavior
- Assignment of school chores
- Break / P.E. detention
- Corporal punishment
- In School Suspension
- Parent conference, letter, or phone call
- Probation
- Referral for counseling
- Referral for peer mediation when available
- Referral to outside agencies, including law enforcement for prosecution
- Referral to School Board for expulsion
- Suspension from participation in school activities
- Suspension from school
- Suspension from school bus
- Time-out placement
- Verbal or written reprimand
- Withdrawal of school privileges

# Violations and Consequences

**Definitions** for all infractions and interventions are listed in the Liberty County Schools Student Code of Conduct.

**Zero tolerance for Crime and Substance Abuse** - The Liberty County School Board has adopted a policy of zero tolerance for crime, violence, and substance abuse. This policy requires that student infractions of school board policies governing student behaviors in these areas shall result in the most severe consequences provided by school board policy. These infractions will be reported to Law Enforcement. Acts that pose a threat to school safety will be reviewed and acted upon by the threat assessment team at each school. Minor referrals are not to be considered Zero Tolerance infractions and will not be reported to law enforcement. (Examples: minor fights, disruptions, non-death threats., etc.)

***All repeated Level II or higher infractions will require a Problem Solving/CST Meeting with parent involvement. The intent is to determine the root cause of behavior and teaching of replacement behaviors.***

***The above list is not all inclusive and is meant only as a guide for the principal, assistant principal, or designee. The administrator may, due to severity and nature of the offense, deviate from the above prescribed consequences and administer a more appropriate disciplinary action.***
