Highlights from Letters to Power 88

- Hello, I'm a new listener and I want to thank you all for helping me with my daily walk with the Lord through your songs and words of encouragement.
- I was listening to a secular radio station and I realized how much I didn't like most of these songs, so I started scanning the dial and found power 88. I haven't listened to any other station again.

Underwriters help support Christian Radio

1. Keep us in your prayers that God may use this radio ministry for His glory.
2. Support a business that underwrites. Thank them for their donation to help support local Christian radio and use their services when possible.
