

# THIRD GRADE

# Summer Reading and Book Reports

*Sr. Hanna*

The two books chosen for the summer readings are:

\*Flat Stanley, his original adventure by author Jeff Brown.

\*The Chocolate Touch by author Patrick Skene Catling

Student's Name: \_\_\_\_\_

Parent's Signature: \_\_\_\_\_

June 2025

Dear Respected Parents,

Assalamu Alaikum. All incoming third grade students are required to read two stories during the summer months and complete the assignment. Students will also take tests based on both stories upon their return in September.

The test grades and written assignment will count for 50% of your child's Reading and Writing grade for the first marking period, so please make sure that both books are read. It is important that your child takes notes on what he/she has read.

Also included in this package is a supply list. It is imperative that all supplies are to be sent in with your child on the first day of school. Please see the actual list for additional information.

A multiplication table is also included for students to review and study. Multiplication is a critical concept in the third grade curriculum. To further students' knowledge and memorization of the times tables, songs and rhythms on youtube can help with the times tables because it implants memorization in the child.

Thank you in advance for your cooperation.

Jazakum Allah Khair,

*Sister Hanna Dolah*
