District Goals

We believe that students must be in school to achieve academic success. Our focus is on reducing chronic absenteeism and improving student attendance. We are working with students, families, and the greater Clatskanie community to inform them on the importance of regular attendance. We believe that by providing dynamic and engaging opportunities in our schools and supporting our families we will increase academic success for all students.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
