Read-a-Thon

Keep on reading!!! Students should be reading and tracking their minutes on their tracking sheet! The read-a-thon ends Friday, March 29th! All students will win a prize for hitting their individual reading goal, top readers in each class win an additional prize!

6th Grade CAMP CISPUS 3-26 to 3-29

Mr. Burlingame and the 6th graders will be leaving for Cispus Tuesday, March 26th and will return Friday, March 29th. **6th grade students attending Cispus, please arrive at school at 8:00 AM on Tuesday, March 26th with all your gear.** All pocket knives are to be turned into Mr. Burlingame upon arrival. **Parents/Guardians, please make sure to send a sack lunch and drink with your student on Tuesday the 26th.**

6th grade parents/guardians: Your 6th grade Cispus student will need to be **picked up at 12:30 on Friday, March 29th**, they can not ride the bus home due to having all their gear. *We will be having our egg hunt that afternoon, your 6th grade Cispus student is welcome to go home upon return or can stay and participate in the egg hunt.*

Friday, March 31st: Annual Egg Hunt Courtesy of the Booster Club

We will be having the school Egg Hunt on March 31st at 1:30pm. We are also inviting all preschool siblings to attend the egg hunt. Please call or email the office and let us know if you will be bringing younger siblings to share in the hunt so we can make sure we have enough eggs and bags. Students returning from CISPUS, at approximately 12:30 p.m., may also stay and participate. Thank you!

Child Find, Kindergarten Screening NEXT WEEK, March 27th

We have our Child Find, Kindergarten Screening coming up on Wednesday, March 27th. If you have an upcoming Kindergartener or TTK student please call or email the school office to make an appointment. (360) 785-3460, chenderson@evalinesd.k12.wa.us

TK and Kindergarten

Mrs. Tinnin

Kindergarteners are learning more tricky words. They should know a, one, from, of, was, and the. They are learning how to read words with double consonants or the letters ck.

TK just finished reading How Turtle Got Their Shells. They will continue with their unit about habitats learning about the ocean. This is a fun unit because of the many art projects each child gets to make as they learn about the different habitats and animals in them.

Kindergarteners learn to write, represent, and count numbers 20 and above in math. This chapter will review counting by tens and working with teen numbers. TK is learning about first and last.

We only have one week left of our read-a-thon. Please help your child make their goal of thirty minutes per day. Each child has a goal of 930 minutes for the month. We already have two students who reached their goal and several more are almost there!

First and Second Grade Explorers

Mrs. Mittge

We had a wonderful time watching the play "Jack and the Beanstalk!"

Our class commemorated the first day of spring with a thematic study on the season. Students learned about the earth's axis and about the earth's rotation and revolution. We were also introduced to science textbooks! Boy, was that interesting! Students were so excited to find their table of contents, glossaries, and indexes and to dive in and try out various scavenger hunt challenges.

We planted our tomato starts as well. Some of these plants will be planted in our school garden. Some will be donated to the Booster Club auction.

Also, our class will be collecting donations for our 1st/2nd grade Evaline Explorer Booster Club auction basket! Our theme will be "Fun in the Sun." We are looking for donations such as BBQ supplies, outdoor games/activities, beach gear, etc.

I am so thankful for our first and second grade families--and their wonderful children! Keep reading. One more week until the end of the Read-a-Thon!

Third and Fourth Grade Classroom

Mrs. Mars

3rd graders are finishing up their chapter on comparing fractions in math. 4th graders wrapped up their lesson on relating fractions to decimals and transitioned to two-dimensional figures!

This week we looked at our water testing data. Students prepared their slides and practiced the presentations. We were making sure to note hot spots in the data that we would like to discuss at the GREEN conference.

Fifth and Sixth Grade Classroom

Mr. Burlingame

6th Grade Parents!

It's finally here! Cispus is next week! Please remember that on Tuesday, March 26 we are asking you to bring your 6th grade Cispus student to school at 8:00 am so that their gear can be labeled with masking tape and they can get their Cispus workbooks and T-Shirts. When we arrive at camp, we will have a quick break for lunch before heading on the trail up to Angel Falls. **Please don't forget to pack a good lunch to fuel your student up the trail!**

On Friday when we return, please pick up your student at the school at 12:30 or if you like, pick up their gear at the school at 12:30. **Because of space constraints, students can not ride the bus with their Cispus gear.** If you have any questions, please reach out to me at sburlingame@evalinesd.k12.wa.us or by phone at 360-785-3460
