The strategies will (mark all that apply)

☒ Provide opportunities for all children, including subgroups of students, to meet the challenging Missouri Learning Standards.

Description of how strategy/strategies will provide

Hamilton Middle School will continue to participate in monthly PLC meetings that employ grade level and vertical team planning opportunities. These meetings afford supplemental ELA and Math teachers and regular classroom teachers opportunities to discuss student data, establish SMART goals, as well as develop and modify instructional strategies for struggling learners. We will continue to utilize a supplemental ELA teacher and a supplemental Math teacher for push-in services as well as provide interventions to lower achieving students in the areas of math and ELA.

☒ Use methods and instructional strategies that strengthen the academic program in the school.

Description of how strategy/strategies will strengthen

All students receive Tier 1 instruction from the classroom teacher. Students will be assessed three times per year through progress monitoring using teacher made assessments. Students scoring below grade level will receive Tier 2 supports from supplemental math and ELA teachers. Classroom teachers also support students who are performing below grade level during study lab time to prevent or remediate skill deficits.
