

Prattville Elementary School

Vision

Today, Tomorrow, Together

Mission

To provide excellent educational experiences for all students to be successful in life.

Beliefs

We believe all students can learn given equitable opportunities. It is our responsibility to foster a nurturing and supportive learning environment where ALL students can reach their greatest protentional.

Learner Supports

Objectives

- Providing a foundation for all students through teacher effectiveness, high standards for academics, and continuously improving academic programs.

Critical Initiatives

- Teachers will provide differentiated instruction and intervention to increase student proficiency in Mathematics and ELA by the use of instructional programs, apps, and materials.
- Provide parental and community communication in order to better collaborate with stakeholders.
- Teachers will participate in regular data meetings to analyze data in order to make informed decisions about student deficiencies and close learning gaps due school closure and virtual learning.
- Provide parents opportunities to fill their toolkit to help navigate

Positive School Culture

Objectives

- Foster a school environment to support the social and emotional needs of our students to improve the student academics, attendance, and safety.

Critical Initiatives

- Establish a PBIS students based on good/improved behavior and character effectively and teacher and student by in for the "House System".
- Contracts for supplemental stipends to turn around professional development and administrative support to assist in carrying out critical initiatives tied to the ACIP.
- Transform school culture through the planning by the leadership team, ELA Team, and Math Team.
- Enhance school safety awareness and protocol

Curriculum & Instruction

Objectives

- Increase ACAP proficiency scores in ELA to 70% and Math 60% for the 2021-2022 school year.

Critical Initiatives

- Develop a ELA and Math leadership team to help assist their department in planning for instruction, analyze STAR data, and dive into the new Alabama Standards.
- Instructional Teacher to add in the implementation of the Student Reading Intervention Plans and providing intervention to students that have been identified as having reading and math deficiencies.

Critical Initiatives

through their child's education and be able to provide them with the support they need to be successful.

Critical Initiatives
