East Hickman Intermediate School
Week of March 9th

NOTE FROM MRS. DICK

I hope everyone is enjoying the beautiful weather we have been having. It seems unreal that it wasn't that long ago that ice covered our trees and streets. We had a great week at EHIS kicking off our paper plate awards! Students will receive paper plate awards for academic achievement and leadership. Their awards will be displayed in the hallways, and we look forward to celebrating our amazing students.

This week, we have benchmark testing on Monday, Tuesday, and Wednesday. We have tried to set up the test to mimic TCAP, so our students feel comfortable. Please remind your students that these tests are just a chance for them to show how amazing they are! We keep telling them, it is your time to shine!

Thank you for your continued support as we move into the final 9 weeks. Your partnership means a lot to me, and I look forward to our continued work together.
