Let's partner to ensure the best academic experience for our students!

We are excited to be rounding out our first semester at OJH! This initial term has been one of growth, tackling hurdles, and obtaining gains! Our OJH team has identified ways to extend and develop students academically and personally. We have witnessed strength and resilience throughout the campus and community. Our staff has worked diligently to ensure the needs of our scholars are met. Thank you for the support your partnership provides and the opportunity to serve your students each day. It has and continues to be a privilege. OJH and its families together can make the most difference in our student's success.

Attendance at school is very important. When students arrive late or are picked up before dismissal, teaching and learning are disrupted.

The school schedule is 7:55am-3:45pm!

**Instruction takes place until 3:45pm. Picking up students early will result in missed class content.**
