### WCSD MOCK TRIAL STUDENTS VISIT SC SUPREME COURT

A group of students from the Williamsburg County School District had the unique opportunity to witness a live trial at the South Carolina Supreme Court on Wednesday, April 2, 2025. This experience provided them with insight into the judicial decision-making process and the roles of attorneys and justices in upholding the law. The visit also included a brief walk on the historic Statehouse grounds, where students learned about the legislative process and how state laws are made.

Following the proceedings, the students participated in a Q&A session with legal professionals, including Supreme Court justices and court staff. They discussed the importance of the judicial branch and explored various career paths in the field of law. After the event, the students enjoyed lunch at The Grand on Main Street in Columbia, SC. The Grand features a boutique bowling alley and offers an upscale casual dining experience.
