PREFACE

Hines Middle School Vision Statement:

Hines Middle School empowers students to grow into Honest, Mature, Scholarly leaders.

Hines Middle School Mission Statement:

Our mission is to provide staff and students with a Safe, Respectful, Responsible, and Professional Environment to learn.

The material in this student handbook is intended to communicate district information, rules, and procedures to students and parents. It is not intended to enlarge or diminish any Board policy, administrative regulation, or negotiated agreement.

Any information in this student handbook is occasionally subject to revision or elimination without notice.

1. Parents/Guardians will have access to their children's academic progress using ParentVUE. Grades can be accessed online through the ParentVUE system at the school district web page at <https://www.hcsd3.org/>. Login information is provided to parents at the onset of the academic school year. Students must fill out planners daily, in every class, and record grades and missing assignments on Thursday
2. Parents will receive a student's individual state assessment result following each school year. The HMS state report card is also available at <https://www.hcsd3.org/>.
3. Parents are encouraged to review all grade-level curriculum standards at <https://www.oregon.gov/ode/educator-resources/standards/Pages/default.aspx>.
4. Parent and community feedback is always welcome and encouraged.
5. If you have any questions, comments or concerns please feel free to contact the office.

ACADEMIC RECOGNITION

Superintendent's List - GPA, 4.0

Principal's List - GPA, 3.5-3.9

Honor Roll - GPA, 3.0-3.49

Those students who receive a letter grade of D or F will not be eligible for academic recognition.

HMS Honors League: Any full-time student receiving a cumulative GPA of 3.8 or better for the 1st three quarters and currently enrolled in academically standard classes, or a GPA of 3.6 if a student is enrolled in an advanced placement course, will be considered for membership in HMS Honors League.

Students who exceed three discipline referrals or one severe DR may not be considered. Students must maintain their grade point average and/or discipline expectations to remain in the HMS Honors League.

Students previously inducted into the HMS Honors League who do not meet the GPA requirements for the current year will be placed on academic probation for one school year but will not be removed from the league. During that year of probation, they will not be able to participate in the ceremony.

ADMISSION TO HINES MIDDLE SCHOOL

A student seeking enrollment in the district for the first time must meet all academic, age, immunization, tuition, and other eligibility prerequisites for admission as outlined in state law, Board policy, and administrative regulations.

The district may deny regular school admission to a student who is expelled from another school district and subsequently becomes a resident of the district or who applies for admission to the district as a non-resident student.

The district may deny regular school admission to a student who was expelled from another school district for an offense that violated applicable state or federal weapons law and who subsequently becomes a resident of the district or who applies for admission to the district as a non-resident student.

APEX ONLINE

Student placement in the alternative placement program may include the following but is not limited to:

1. When severe disciplinary problems occur
(Severe disciplinary problems will be defined in the Student Code of Conduct.)
2. Expulsion, pending expulsion, or excessive suspensions
3. Violation of a Behavioral or Safety Plan
4. Prior school of attendance was an alternative program or school
5. As deemed necessary by the school administration and/or Alternative Ed Committee.
*Alt. The Ed Committee is comprised of the principal, vice principal, dean, students, and current teachers.
6. Parental request.

If a student faces expulsion, an individual notification shall be hand-delivered, emailed, or sent by certified mail. The parent shall receive individual notification before an actual expulsion.

The notification shall include

1. The student's action;
2. A list of alternative education programs for the student;
3. The program recommendation is based on the student's learning styles and needs;
4. Procedures for enrolling the student in the recommended program.

ASSEMBLIES

Expected student behavior:

- Walk to and from the assembly in an orderly manner.
- Be reasonably quiet before and after the program.
- Do not whisper, talk, or cause disturbances during the assemblies.
- Polite responses; please do not whistle, boo, or scream at any time.
- Show your approval by applause at the end of the program.

Students who misbehave during assemblies may lose the privilege of attending assemblies.

ATTENDANCE

All students between the ages of 7 and 18 who have not completed grade 12 are required to attend school unless otherwise exempted by law. School Staff will contact families struggling with attendance.

When attendance is so erratic, the student is not benefiting from the educational program (accumulating 10 or more absences within a quarter). Alternative placement may be considered.

Pre-Arranged Absences

Parents and students are encouraged to make arrangements in advance of an absence. Parents must inform the office at (541) 573-6436 about an upcoming absence as soon as possible. The student is responsible for collecting their work for a pre-arranged absence. The principal will honor parental requests to excuse a student for reasons deemed legitimate by the administrator. However, **the final approval rests at the administrator's discretion, and the absence will not be approved if it jeopardizes the student's ability to earn passing grades.**

Unexcused Absences

All absences are considered unexcused until the parent or guardian calls or sends a note to the school with an acceptable explanation within two days of the student's return to school. An administrator may consider a parental request to excuse an absence beyond that time. **Unexcused absences** may include, but are not limited to, car trouble, babysitting, sleeping in, missing the school bus, shopping, working, hair appointments, or running errands.

Absences and Excuses

According to Oregon law, parents and guardians should be aware that they are not given absolute authority to excuse their students from school. The administrator or designee determines this.

Absence from school may be excused under the following circumstances:

- Illness of the student. A doctor's note may be required if over three days. Not participating in PE for more than two days will require a medical note.
- Illness of an immediate family member when the student's presence at home is necessary.
- Emergencies that pose a threat to the health and welfare of the student or an immediate family member.
- School-sponsored or school-approved activities.
- Medical or dental appointments. Confirmation of an appointment may be required.
- Pre-approved release from a classroom activity or lesson based on a disability or for religious or ethnic considerations.

Parent Notification

If a student has three absences within a quarter, the parent will receive a letter or phone call notifying them that their student's attendance needs to improve. After the student's fifth absence, the parent will receive another letter requesting they contact the principal. A third letter will be sent after the student's eighth absence, stating that a conference with the principal will be arranged if attendance does not improve. The fourth attendance letter will specify a date and time for a mandatory meeting with the principal.

Dismissal Requests and Checkouts

Students must check in and out with the office when arriving late or leaving early.

Any requests by parents for early dismissal or temporary checkout should be submitted in writing or by phone to the school. Such requests should give the student's name, date, and reason for checkout, and have the parent's or legal guardian's signature. A student will not be released to any person without the approval of their parent or guardian.

A student who becomes ill during the school day should report to the office with the teacher's permission. The office personnel will decide whether or not the student should be sent home and will notify the student's parents as appropriate.

Students returning to school after a communicable illness may need to bring a note from a physician or the health clinic.

Truancy

Any student absent from school or off campus without permission will be considered truant and subject to disciplinary action, including detention, suspension, expulsion, and/or ineligibility to participate in athletics or other activities. Law enforcement may be notified.

Make-up Work

If students are absent for *two or more days*, the school office should be contacted and a homework request made. Teachers will need at least one day to gather homework before it can be picked up. Students who are absent for only one day will need to talk with their teachers when they return to school to collect the missing work, as the office will not collect it.

An absent student will need to make up specific assignments missed. They may receive the same amount of time as they were absent to turn in the work before it becomes a zero. It is the student's responsibility to make arrangements for homework during a pre-arranged absence with each teacher. Absenteeism is not the sole criterion for reducing grades, but it could affect a student's grade. A student with an unexcused absence from school may not be allowed to participate in school-related activities on that day or evening. The final determination will be made by the school administration.

Tardies

- Students are required to be in the classroom when the tardy bell rings.
- Consequences for excessive tardiness will follow the Discipline Matrix.
- Tardies will affect quarter incentives and rewards, as well as dance eligibility.

BEHAVIOR

RULES AND REGULATIONS

FOUR BASIC RULES:

BE SAFE

BE RESPECTFUL

BE RESPONSIBLE

BE PROFESSIONAL

The district has authority and control over a student during the regular school day, at any school-related activity, regardless of time or location, and while the student is being transported in district-provided vehicles.

Students should be aware that conduct that violates the school code of conduct, even if it occurs off campus or outside the school day, may result in the same kind of discipline listed below if it can be shown to create a material and substantial disruption to the school.

12. Violation of district transportation rules
13. Violation of law, Board policy, administrative regulation, school or classroom rules

*Please refer to District Policy for more information and/or clarification.

Hines Middle School Student Discipline Matrix

The discipline code was established by Hines Middle School and is intended to serve as a guideline that permits uniform administration of consequences throughout the school while allowing some latitude for individual needs. The consequences section (indicated by step number under the sequence of offense categories) represents minimum starting points for disciplinary consequences. Successive offenses in each category may result in advancement to the next step or further steps.

Continued infractions at a level could be continuous and not start over. The administration reserves the right to modify or add to steps.

Discipline Matrix:

Discipline/Due Process

Court decisions have indicated that young people in the United States have the right to receive a free public education. The courts have also stated that students have the right to citizenship as delineated in the United States Constitution and its amendments. The deprivation or abridgment of these rights may occur only for just cause and by due process of law.

Constitutional rights are not absolute, and in the school setting, reasonable limitations must be placed on the exercise of these rights so that schools may effectively fulfill their function of educating young people. The school system may not, however, unduly infringe upon constitutional rights.

School officials will consider the students' individual and collective rights and safety when taking disciplinary action. They will afford students their rights to fair consideration, free from patently arbitrary, capricious, and inappropriate action in response to the offense committed. School officials have the right to consider mitigating and aggravating factors in deciding if the disciplinary action should be more or less than the established guidelines. If, for example, a student has demonstrated excellent behavior and then commits an infraction, this may be considered when determining the actions taken. If a student has a history of problem behavior, disciplinary action taken will likely be the maximum prescribed in this handbook. Chronic and/or severe violations of rules may result in action that extends beyond the guidelines. Simply put, disciplinary measures are applied based on the nature of the offense and a student's past behavior.

Parents and students must understand the consequences of misbehavior to protect the rights of all our students. When an issue arises, the adult gathers information and determines whether a Discipline Referral (DR) may be needed. Once a DR is sent to the office, the principal or designee investigates the incident.

If the situation is subject to legal citation, law enforcement may be called to interview the students. After the interview, the school and law enforcement will notify the parents of the situation. Appropriate disciplinary consequences will be given. Students with a pattern of misbehavior may be placed on a behavior plan. *The discipline procedures serve as a guide that permits uniform administration of consequences while allowing latitude in addressing individual needs.*

Parents are advised that in suspected child abuse cases, the Oregon Department of Human Services, Community Human Services, and/or law enforcement officials will be notified. School personnel may be excluded from the investigation procedures and may be prohibited from contacting parents.

Detention

A student may be detained **outside of school hours** on one or more days if the student violates the Student Code of Conduct. However, the detention shall not begin until the student's parents have been notified of the reason for the detention and can make arrangements for the student's transportation on the day(s) of the detention.

Lunch or after school detention may be used for minor offenses or for students who do not follow classroom procedures. Parents may be contacted before this detention time is served. Students may eat their lunch in the detention room or bring a sack lunch from home.

Community Service

Students may be assigned duties such as cleaning walls or desks, picking up garbage, or cleaning the cafeteria, depending on the nature of the offense.

Out-of-School/In-House Suspension

For willful violations of the Student Code of Conduct, a student may be suspended for up to and including 10 school days. Each suspension will include a specification of the reasons for the suspension and its length. Every reasonable and prompt effort will be made to notify the student's parents of a suspension.

While out of school suspended, a student may not attend after-school activities, athletic events (practices or away games/events), be present on district property, or participate in activities directed or sponsored by the district.

In-house suspension may be used in place of out-of-school suspension. This also depends on the severity of the infraction and if the physical space is available. Students placed in In-House suspension may practice, but cannot play in either a home or away game.

Schoolwork will be provided for students in suspension. Missed tests may be made up.

If the suspension is due to a serious threat to students, staff, or school property, a risk assessment may be required before the student can return to school.

Expulsion

Students may be expelled for severe or repeated violations of the Student Code of Conduct.

No student may be expelled without a hearing unless the student's parent or, if the student is 18 years of age, the student, waives the right to a hearing, either in writing or by failure to appear at a scheduled hearing. An expulsion shall not extend beyond one calendar year.

The district will provide appropriate expulsion notification, including expulsion hearing procedures, student and parent rights, and alternative placement provisions as required by law.

A student who receives 8 disciplinary referrals may be subject to an expulsion hearing and may be placed in an alternative educational program. The student's parents will be contacted.

Discipline of Disabled Students

A student served by an Individualized Education Program (IEP) who engages in conduct that would warrant suspension for a non-disabled student may be suspended for up to 10 consecutive school days for violations of the Student Code of Conduct.

When a disabled student is suspended for more than ten consecutive school days or more than ten cumulative school days during a school year or is being expelled, the student's parents will be notified immediately (within 24 hours) of the circumstances of the misbehavior and the time and location of the student's IEP team meeting addressing the infraction and its relationship to the disability.

The IEP team will determine whether the misconduct is a manifestation of the student's disability. Should the IEP team conclude the misconduct has no relationship to the student's disability, the student may be disciplined in the same manner as other students.

If the IEP team concludes the misconduct is a consequence of the student's disability, the team may recommend alternative placement. The district may not expel a disabled student or terminate educational

services for any behavior resulting from the disability.

Suppose the district determines that the student's behavior, which is related to his/her disability, poses an imminent danger to others, and the parent refuses to agree to a change of placement. In that case, the district may suspend the student for ten consecutive or ten cumulative school days to provide a general planning and "cooling off" period. At the end of the ten days, the student shall be allowed to stay in his/her current school placement unless the district has obtained a hearing officer or court order to change the student's placement.

Profanity

Hines Middle School promotes self-respect and respect for others. Students who use profanity, inappropriate language, or obscene gestures at or during school activities are subject to disciplinary action. Any use of profanity toward a staff member or other students will not be tolerated and may result in suspension.

Public Displays of Affection

Self-respect and having respect for others do not include public displays of affection. Discretion and good taste are expected from everyone. Public displays of affection (including, but not limited to, holding hands, hugging, and kissing) are not permitted in the school building, on school property, or at school-sponsored activities.

Substance Abuse

Students will not possess or use any dangerous substance and/or paraphernalia on school grounds or at school activities. Violators may be subject to law enforcement penalties. Suspension/Expulsion from school and all related activities may result.

Playground Rules and Guidelines

Our playground rules are created to provide students with a safe environment and reduce the District's liability.

Bus Safety and Transportation

The purpose of the bus policy is to provide for the safety and well-being of all students. Any time a student is denied the privilege of riding the bus, parents will be notified of the exact reasons for the loss of privilege, the dates the student will be off the bus, the date the student may resume riding, and the right to appeal.

The superintendent may alter bus schedules or cancel bus services during adverse weather conditions. The district's automated contact service (e.g., text, call, and email) will notify passengers of altered bus schedules.

Parents who have questions about bus routes or rules and regulations may contact Wade Peasley, Transportation Director, at 541-573-2163.

Video Cameras

Video cameras may be used to monitor student behavior to ensure the health and safety of students and staff on school vehicles transporting students to and from school and extracurricular activities. Students who violate district rules of conduct shall be subject to disciplinary action. (See District Policy).

Disciplinary Procedures for Violations of Transportation Rules

Students in grades 6-12 will receive one verbal warning before the bus driver issues a citation unless the incident is a serious safety issue, interferes with the safe operation of the bus, or involves serious disrespect to the bus driver or other students. Following the warning, students will move directly into the citation process. Reports will be sent to the school and the parent/guardian.

1. First Citation - Warning: The driver verbally restates behavior expectations and issues a warning citation. The driver may assign the student to a particular seat.

2. Second Citation: The student is suspended from the bus until a conference, arranged by the transportation supervisor, has been held with the student, the parent, the bus driver, the transportation supervisor, and the principal.

3. Third Citation of the year: The student receives a 5- to 10-day suspension and will not be able to ride the bus until a conference, arranged by the transportation supervisor, has been held with the student, the parent, the bus driver, the transportation supervisor and the principal. Further violations of bus regulations will be considered a severe violation.

4. Severe Violations: Any severe violation may result in the immediate suspension of the student for a minimum of 10 days and up to a 1-year expulsion. There will be a hearing at this time, arranged by the transportation supervisor, involving the student, the bus driver, the transportation supervisor, the parent and the principal.

5. In all instances, the appeal process may be used if the student and/or parent desires.

Bus Stop Rules

The rules at a bus stop are the same as those at school. Students are to stay off private property. There is to be no horseplay, fighting, bullying, or harassment. Students who create problems at bus stops will be reported to parents and, if problems continue, removed from the bus stop.

At the end of the day, students must go directly home or to their designated location after being dropped off at their bus stop.

The school is not responsible for lost or stolen items, including cell phones.

Students are also not allowed to use earbuds or headphones in the building without a teacher's permission, and only for educational tasks.

CHARACTER TRAITS OF THE MONTH

Our goal is for students to take responsibility for their actions and become good citizens of the community. We have the following programs and methods to reinforce socially acceptable behavior:

- We recognize our positive behavior and let the students know we appreciate it.
- Students earn positive notes for good deeds and behavior, which are placed on classroom doors and mailed home. Ten students are chosen each month to be recognized at Scotty Assemblies.
- Ten students are also drawn from those without disciplinary referrals and recognized at the monthly Scotty Assemblies.
- Positive notes and phone calls go home to parents for students' good behavior.
- 6th, 7th, and 8th grade students who demonstrate good behavior earn dance privileges.
- End of the quarter activity awarded to students with no report card F grades and who meet the discipline criteria.

COMPLAINTS

Open communication is an important part of the educational process and is encouraged at Hines Middle School. In the event of a concern or issue, the student, parent, or guardian must follow the established procedure.

- ☐ Parents shall call or meet with the person in question. Often, an informal discussion will resolve the issue.
- ☐ If, after this discussion, the concern still exists, a call may be placed to the principal. He/She will then schedule a meeting with the parent, staff member, and himself/herself.
- ☐ If the complaint is in writing, the formal complaint procedure outlined in the bargaining agreement and district policy will be followed. A formal complaint form may be obtained from the school office.

Education Standards Complaints

Any resident of the district or parent of a student attending district schools may make an appeal or complaint, alleging violation of the district's compliance with an educational standard as provided by the State Board of Education; this includes state and federal programs such as Title I, Title IX, Title IXA, and ELL. The complainant should first discuss the nature of the alleged violation with the individual involved. If the complainant wishes to pursue the matter further, he/she will be provided, upon request, a copy of all applicable district procedures.

After exhausting local procedures for 45 or more days after filing a written complaint with the district (whichever occurs first), any complainant may directly appeal to the State Superintendent of Public Instruction.

Instructional Materials Complaints

Students' or parents' complaints about instructional materials should be directed first to the teacher and, if the complaint cannot be resolved, to the principal.

Students with Disabilities Complaints

A complaint or concern regarding the identification, evaluation, or placement of a student with disabilities or the accessibility of the district's services, activities, or programs to a student should be directed to the special education teacher. A complaint may be filed with the principal and Special Education Director if the issue is not resolved.

Students with Sexual Harassment Complaints

Sexual harassment by staff and/or students is strictly prohibited in the district. The district includes district facilities, premises, and non-district property if the student or employee is at any district-sponsored, district-approved, or district-related activity or function, such as field trips or athletic events where students are under the district's control or where the employee is engaged in district business.

Building Principals, the Compliance Officer, and the Superintendent are responsible for investigations into sexual harassment. All complaints and other reported incidents shall be investigated. The investigator shall be a neutral party without involvement in the complaint presented. A copy of the investigation process is available in the school office.

All students using the school's computers or Chromebooks must sign a computer/internet agreement at the time of registration; this agreement is covered in this handbook.

STUDENT NETWORK RESPONSIBILITY CONTRACT

This agreement was included during the Online Registration process and is a binding contract.

Internet / Chromebooks / Computers - Terms and Conditions:

II. PRIVILEGES: The use of the internet is a PRIVILEGE, not a right, and inappropriate use will result in a cancellation of those privileges. Each student who receives access permission will participate in a discussion with an HCSD faculty member about proper network use as part of our Digital Citizenship instruction. The system administrator(s) will deem what is inappropriate use, and the decision is final. Also, the system administrator(s) may ban access at any time as required. The administration, teachers, and/or staff of HCSD#3 may request the system administrator to deny, revoke, or suspend specific user access.

I. NETIQUETTE (NETWORK ETIQUETTE): Using the internet requires that you abide by accepted rules of network etiquette. These include, but are not limited to, the following:

Use of any information obtained via the internet is at your own risk. HCSD#3 specifically denies any responsibility for the accuracy or quality of information obtained through its services.
- vi. **SECURITY:** Security is a high priority on any computer system, especially when the system involves many users. If you identify a security problem, notify a system administrator in person or via the network. Attempts to log in to the system as a system administrator or any other user will immediately cancel user privileges. Any user identified as a security risk or having a history of problems with other computer systems may be denied access.
- vii. **VANDALISM:** Vandalism will result in the cancellation of privileges. This includes, but is not limited to, the uploading or creation of computer viruses.

Parent or Guardian Network Responsibility Contract

As the parent or guardian of this student, I have read the Terms and Conditions for Internet use. I understand this access is designed for educational purposes, and HCSD#3 has taken precautions to eliminate controversial materials. However, I also recognize that HCSD#3 can't restrict access to all controversial materials, and I will not hold them responsible for materials acquired on the network.

Further, I accept full responsibility for supervision if and when my child uses HCSD #3 devices/Chromebooks outside of school. I hereby grant access privileges to my child and certify that the information on this form is correct. I further acknowledge and agree to a fee assessment due to any damages HCSD#3 devices/Chromebooks while checked out to my student.

This agreement is in effect during the student's attendance/membership at Hines Middle School.

Google Apps

The Harney County School District #3 utilizes Google Apps for Education for students, teachers, and staff. This permission form describes the tools and student responsibilities for using these services. As with any educational endeavor, a strong partnership with families is essential to a successful experience.

The following services are available to each student and hosted by Google as part of Harney County School District #3's online presence in Google Apps for Education:

Email, Calendar, Drive, and Classroom

These apps are closely monitored for appropriate use and are intended solely for educational purposes and enhancement within the classroom experience.

Using these tools, students collaboratively create, edit, and share files and websites for department-related projects and communicate via email with other students and teachers. These services are entirely online and available 24/7 from any Internet-connected computer. Examples of student use include showcasing class projects, building an electronic portfolio of school learning experiences, and working in small groups on presentations to share with others.

CONFERENCES

Parents are encouraged to attend our conferences to see how their student performs in school. Conferences are scheduled twice a year. One-on-one conferences may be scheduled whenever you feel your child is struggling. Dates for conferences can be found on the district website, on our school board-approved district calendar, or by calling the school office at (541) 573-6436.

COUNSELING (District-Wide)

The main goal of the HCSD#3 Counseling Program is to ensure that all students have the skills and support they need to become successful adults outside of school. We will provide counseling services that support each student's academic, career, and social/emotional development. The school counselors may work with students individually, in groups, and in the classroom setting. They will also support parents/guardians and guide them towards school and community resources to help students succeed in all life domains.

DANCES

Students are required to observe the school dress code for all dances. 6th, 7th, and 8th grade Hines Middle School in-person students can attend. Students enrolled in our APEX Online program are not permitted to attend dances. No guests will be admitted. Students with one major discipline referral or more than three minor discipline referrals from one dance to the next will not be allowed to attend. Those who have been expelled during the school year and have been allowed reentry to school may be denied entry to dances. Students with more than 5 tardies between dances are not allowed to attend. Students must be in attendance for 0.5 on the day of the event to be eligible to attend school dances. Prearranged absences will be taken into consideration. We have a "No Return Policy" at our dances, meaning students will not be allowed back once students leave. The staff may call the parent/guardian of any student leaving the dance

early, and the student may be asked to sign out. Law enforcement may be called if a student appears to be under the influence of any substance. Students not enrolled at HMS in person will not be allowed to attend the dances. Students will be informed if they are ineligible to attend.

DISTRIBUTION OF MATERIAL

The teacher and principal completely supervise all school-sponsored publications, including web pages, newspapers, and/or yearbooks. Students may be required to submit such publications to the administration for approval.

Written materials, handbills, photographs, pictures, petitions, films, tapes, or other visual or auditory materials may not be sold, circulated, or distributed on district property by a student or a non-student without the administration's approval.

Materials not under the district's editorial control must be submitted to the principal for review and approval before being distributed to students. Materials shall be reviewed based on legitimate educational concerns. The district may designate the time, place, and manner for distribution.

If the material is not approved within 24 hours of submission to the principal, it must be considered disapproved. Disapprovals may be appealed by submitting the disapproved materials to the superintendent; material not approved within three days is considered disapproved. This disapproval may be appealed to the Board at its next regular meeting when the individual shall have a reasonable period of time to present his/her viewpoint.

DRESS AND GROOMING

The dress code established in this school is intended to promote appropriate personal grooming and hygiene, prevent disruption, and avoid safety hazards. Additionally, dress and grooming issues often conflict with the district policy on sexual harassment and gangs. The following dress code aims to create a logical, useful set of guidelines for students and parents.

Clothing Policy

In general, students should dress in neat, clean, and appropriate clothing that does not disrupt the educational process and protects others' rights. The Clothing Policy applies to school and school events. The following is not an exhaustive list, but it includes...

A student who becomes ill or is injured at school must notify his/her teacher or another staff member as soon as possible. In the event of a serious illness or injury, the school shall attempt to notify parents in accordance with the emergency information they submitted. **Parents are required to provide at least two emergency contacts, including telephone numbers, in case they cannot be reached.** Parents are encouraged to update this information as needed.

If the student is too ill to remain in school, they will be released to their parents or another person as directed by their parents.

School staff may administer emergency or minor first aid if possible. The school may contact emergency medical personnel to transport a student to the hospital if necessary.

Emergency School Closure

The superintendent may alter district and transportation schedules in hazardous or emergency conditions. Such alterations include closing all schools, closing selected schools or grade levels, delayed school openings, and early student dismissals.

If the emergency is such that the children cannot be safely transported, they will be kept at school under supervision until the emergency has passed. Announcements of school closures or delayed openings due to snow, ice, or other emergency conditions will be made through the district's telephone/text notification system. Emergency information can be obtained by calling the HCSD#3 hotline @ (541) 573-6811. The office maintains emergency contact information for all students in case parents/guardians can't be reached,

but it is up to the parent/guardian to keep that information current.

Our office also calls twice daily to check on a student's unexcused absence. The parent or guardian should consistently update records so that the automated system can keep these individuals updated about school issues/absences.

EXTRACURRICULAR ACTIVITIES

All students, regardless of ability level, are encouraged to participate in extracurricular activities and the many worthwhile learning experiences that involvement in student government, student clubs, organizations, athletics, and other activities offers. These activities are a privilege, and students may be held to stricter codes of conduct. Law enforcement may be notified depending on the severity or nature of an incident. Please refer to the HCSD#3 Athletic Policy for more information.

FEES

Materials for required classes are provided to students at no charge. A student is expected to provide his/her supply of pencils, paper, erasers, notebooks, etc., and may be required to pay certain other fees or deposits, including but not limited to

- Club dues
- Personal physical education, athletic equipment, and apparel
- Voluntary purchases of pictures, publications (including Yearbook), etc.
- Student accident insurance and insurance on school-owned instruments
- Instrument rental and uniform maintenance
- Fees for damaged library books and school-owned equipment
- Field trips considered optional to the district's regular school program
- Locker shelf rental
- Participation fee or Pay-to-Play fee for involvement in activities/athletics
- Replacement of lost or destroyed student planner/handbook
- Admission fees for certain extracurricular activities
- Towel fee

*** The required fee or deposit may be waived if the student and parent cannot pay. The principal may be contacted to request such a waiver.*

The district may impose certain restrictions and/or penalties until fees, fines, or damages are paid. For 8th-grade students, this could include the privilege of participating in 8th-grade promotion activities being revoked. All such materials shall be released upon payment of monies owed. Fees, fines, and charges owed to the district may be waived at the discretion of the superintendent or designee if:

- The district determines that the student's parent is unable to pay the debt.
- The payment of the debt could affect the student's health or safety.
- The creation of the notice of the debt owed would cost more than the total debt collected from the notice.
- There are mitigating circumstances, as determined by the superintendent or designee, that preclude the debt collection.

A written notice will be provided to the student and his/her parent(s) of the district's intent to collect fees, fines, and damages owed. The notice will include the reason the student owes money to the district, an itemization of the fees, fines, or damages owed, and the parent's right to request a hearing. The district may pursue any available restrictions and/or penalties through a private collection agency or other methods.

Debts not paid within 10 calendar days of the district's notice to the student and parent will result in possible restrictions and/or penalties until the debt is paid, and possible referral to a private collection agency or other methods available to the district. A request to waive the student's debt must be submitted in writing to the

superintendent or designee. Such requests must be received no later than 10 days following the district's notice.

FIELD TRIPS

Field trips may be scheduled for educational, cultural, or other extracurricular purposes. All students are considered to be in school while participating in district-sponsored field trips. This means students are subject to the school's student conduct rules, applicable Board policy, and any other rules deemed appropriate by the field trip supervisor.

Before a student goes on a field trip, the organizer will send out an Opt-Out Letter to all parents of students attending. If you do not wish your student to attend, please complete this opt-out form and return it to the field trip organizer. When opt-out forms are not returned, parent permission to attend is granted. Students who demonstrate poor behavior at school may not be permitted to attend field trips.

FLAG SALUTE

Students will be allowed to salute the United States flag at least once a week by reciting the *Pledge of Allegiance*.

FUNDRAISING

Student organizations, clubs or classes, athletic teams, outside organizations, and/or parent groups may occasionally be permitted to conduct fund-raising drives with approval by the superintendent or designee. All funds raised or collected by or for school-approved student groups will be receipted, deposited, and accounted for by the office in accordance with Oregon law and applicable district policy and procedures. All such funds will be expended to support the school's extracurricular activities program. The principal is responsible for administering student activity funds. The student body officers and classroom representatives serve as the student government representatives in administering student activity funds.

GRADES

Letter grades demonstrate students' homework completion and quality within a subject area. These grades are earned for the work turned in during the quarter *but do not necessarily demonstrate proficiency in state content standards*. Grades are issued each quarter, and report cards will be mailed home. Grades can also be viewed by accessing the ParentVUE account.

GRADING POLICY

At Hines Middle School, we prioritize increasing student achievement by teaching students responsibility and organization. We recognize these years are transitional and believe we can assist our students with this transition by being consistent. Therefore, we have come together as a staff and devised a uniform grading policy.

If students need extra support, they are encourage to contact the teacher.

1. Students may correct any paper that is below 70%. The teacher will determine the due date.
2. Papers are due on their due date, or students may receive no credit for that assignment.
3. Some teachers may offer extra credit; however, it will only be accepted if all other work is in.
4. Students will review their grades via their StudentVUE account and will report home to their parents every three weeks.
5. Parents are encouraged to check their student's grades on StudentVUE weekly.
6. Progress Reporting is completed every week. Athletes must meet the academic requirements outlined in the athletic policy to participate in extracurricular activities.
7. Students on an Individualized Education Plan (IEP) may be allowed modifications to their plan for

grading purposes. Please contact their case manager.

HOMEWORK: May be given to practice skills learned and in addition to in-class assignments in some classes.

Student Planners and Binders

The school will provide student planners at the start of the school year to help students develop organizational skills. Students will be taught how to use the planners, and parents will be expected to check and sign them weekly. This is part of the student's advisory grade and also serves as a method of communication with parents.

Planners will be graded each week on the following criteria:

5 points	Assignments and objectives are written for all subjects daily. A weekly grade for each subject is written in the section at the bottom of the page.
4 points	Assignments and objectives are written for three days for each subject. A weekly grade for each subject is written in the yellow section at the bottom of the page.
3 points	Assignments and objectives written for all subjects, but they are missing a weekly grade.
2 points	Some assignments and objectives are missing, no weekly grades.
1 point	Very little is written in the student planner.
0 points	The planner is blank.

The students record weekly grades in the yellow section of the Student Planner every Thursday, so parents can see when they sign the planner.

Progress Reports and Report Cards

Parents are notified by email or phone call every week if their student has a D or an F in any of their classes. Report cards are mailed out at the end of each quarter.
