Superintendent's Comments

Finance

The Amended Budget for FY 25 was approved. Also, since there are going to be new head coaches, the Cross Country/Track Account was equally split into two separate activity accounts.

Renewals

A couple of renewals occur at the June board meeting. We renewed the Safety Hazard Finding and our membership in the Illinois Association of School Boards.

Prevailing Wage

We had to approve prevailing wages, as required by the state.

Routine Items

The handbooks for Elementary and JH/HS were approved, along with the JH/HS schedule and school fees for 2025-26. This year the Athletic/Extracurricular Handbook is a separate document.

Policies

Several policies were read for the second time and adopted. They are PRESS and we moved a paragraph from one policy to the more appropriate policy. Policy 6:240 had information added about field trips/extracurricular eligibility. Policy 7:301 is new regarding cuts and try-outs in extracurricular activities.
