Prague Schools will use ESSER III funds to help with prevention and mitigation strategies that are consistent with CDC and the State Department's guidance on reopening schools. The school will use these funds to help mitigate the spread of Covid, to help prepare facilities that are safe and healthy and to increase learning and bridge gaps from the pandemic.

Prague Public Schools will preserve 20% of the ESSER III funds to address the learning loss caused by the pandemic. Prague Public Schools has consulted with stakeholders including community members, teachers, parents and students to make decisions on what these funds should be spent on. will be spent on curriculum, textbooks, technology, summer reading programs, and staff that will help lessen the lost instructional time and loss of learning during the last couple of years.

Prague Public Schools will spend the remaining 80% of the ARP ESSER III funds in compliance with the regulations set forth by the State Department of Education. Prague Public Schools will allot these monies in the following areas:

- ✓ Salaries
- ✓ Instruction

- ✓ Guidance and Counseling
- ✓ Curriculum
- ✓ Technology
- ✓ Cleaning Supplies
- ✓ Library Media Services
- ✓ Ventilation
- ✓ Facilities Improvements
- ✓ Student Assessment
- ✓ Security
- ✓ Insurance

Prague Public Schools will ensure that the money being spent from these funds will follow all State and Federal guidelines. These funds will help respond to the academic, social, emotional and mental health needs of students and especially those who have been impacted by Covid 19, low income students, students who are English learners, children with disabilities, those students who are homeless and students of minority. As the year evolves, Prague Public Schools will continue to monitor these funds and the needs of all of our families and students. This plan will be a continuous and developing document as the needs of our families and students evolve throughout the next few years. As always, we value input from our community, parents, staff and students. Any concerns or questions will readily be addressed. The school can be reached by phone at 405-567-2281 and in person at 1100 Bluebell Road, Prague, OK 74864.
