

May ISD

Date: May 28, 2024

Position Title: Agriculture Metal Tech Teacher

Location: May ISD is a Class 1A school located 20 miles North of Brownwood. May FFA is in the Cross Timbers District in Area 4. It is a small rural district with a rich winning tradition. We are looking for a strong Agricultural Science/Metal Tech. teacher to join a positive and hardworking team of educators. This position is a second Ag. teacher position.

Salary Range: Based on Local Salary Schedule

Position Summary: May ISD is accepting applications for our second Agricultural Technology teacher to focus primarily on Welding/Ag Engineering pathways. This position will teach all of the hands-on Welding, Practicum in Manufacturing, Principles of Ag. Metal Tech, and Ag. Equipt. classes for the district. We are a small district who prides themselves on maintaining a low student to teacher ratio. Applicants will be responsible for handling most FFA responsibilities including all entries, livestock projects (all species), coaching CDE and LDE teams and serving as the advisor.

Position Requirements:

Education/Certification:

- Bachelor's Degree from an accredited university
- Valid Texas teaching certificate in agricultural science
- Or a person with a strong background in Animal Science or Horticulture.
- Bus Driver Certification preferred.

Experience:

Similar experience in a comparable position is preferred.

Special Knowledge/Skills:

- Knowledge of Agricultural Science and Technology
- General knowledge of curriculum and instruction
- Ability to instruct students and manage their behavior
- Ability to supervise agricultural field experiences
- Strong organizational, communication, and interpersonal skills.

Application Procedures:

Please email or mail resume, application, transcripts and cover letter to Principal Chad Dail at chad.dail@mayisd.org. Applications can be obtained on the May ISD website.

Application Deadline: Until Filled
