Evaline School District No. 36 is requesting qualifications for professional consulting services from interested geo-technical firms, archeological consultants, hazmat surveyors, & material testing / third party inspection agencies for the Evaline K-6 School Modernization Project.

Statement of Qualifications shall be submitted no later than October 15th, 2026, 2:00 PM.
Qualifications submitted after this deadline may be discarded at the discretion of the district.

Interested firms with recent experience in the following disciplines are encouraged to submit qualifications:

- **Geo-Technical Engineering**
- **Archeological / Cultural Resource Consulting**
- **Hazmat Surveying**
- **Material Testing / Third Party Inspections**

To be considered, interested firms should submit their qualifications addressing the following:

- Background and qualifications.
- Experience with State of Washington public school projects.
- Public school references with names and phone numbers of contacts.
- Experience with local authorities having jurisdiction in Lewis County.
- Resumes of key individuals providing service, including project specific information.
- Availability to immediately commence work.

The qualifications submittal shall be by PDF electronic format only, it shall be limited to ten (10) 8.5" x 11" pages, including a cover page. If the firm provides more than one service, they may submit one statement of qualifications indicating the services for which they are qualified for.

Evaline School District will review all applicants and select the most qualified firm to negotiate a mutually agreeable fee for the anticipated scope of work based on project requirements.

All questions, as well as the Statement of Qualifications, shall be sent to CSG Project Managers Andy Twyman and Manny Saldivar-Aguirre at the following email addresses:
