## **Diploma Online Track (DOT)**

This program is designed for High School students who have identified needs that cannot be met on the students regular campus. Candidates are students that are academically able to work online independently, self motivated, have limited discipline issues, have a compelling reason not to be in a regular school environment, and have a positive attendance record. For admission into this program, the student's High School submits an application to the district committee. If the student meets the program requirements, WEIC contacts the parent/guardian to set up an interview. Please contact your student's school counselor for more information.
