Support PTSA!

2024 – 2025 INDIVIDUAL MEMBERSHIP FORM

Your Thunderbolt PTSA team is excited about the new school year! We are looking forward to having you join us on the road to success. When PTSA gets involved children benefit. When you and your child get involved with PTSA, the child who benefits most is yours. Your membership dues cover the National and Arizona PTSA dues (which gives us access to their programs and grant opportunities). Donations and fundraisers help pay for things like curriculum aids for each department, campus improvements, teacher staff/appreciation & retention, student assemblies and hands on learning experiences. Your participation and involvement are the foundation to educational success for your child this school year.

Membership dues are only \$10.00 per person. All are invited to join – parents, grandparents, other relatives, friends, and students. Please return this form along with cash or check made out to Thunderbolt PTSA to the front office as soon as possible. Attendance at meetings is not mandatory, but we would love to have you join. We consider all families as part of our PTSA; however, if you would like voting rights, you will need to become an official member.

With warmer weather approaching, we will soon be seeing signs of scorpion weed blooming. Please be aware of this plant. It has dark green leaves with a dark purple bloom. The name scorpion weed comes from the small hair-like projections on the stalk. Watch for a local itchy rash similar to poison oak or ivy, usually on hands, legs, and feet. The rash

from scorpion weed can last from a few days to over a week, and does not have a specific treatment. Calamine lotion and Benadryl are common to use for this rash. Aloe Vera lotion can lessen the pain and itchiness as well as help the healing process. Isolating the rash and frequently washing hands is a great way to prevent spreading the rash over more parts of the body.
