

Brimfield Bright Futures

preschool for all

Peoria County Bright Futures is an Illinois State Board of Education funded, award-winning, Preschool for All and Prevention Initiative program aimed at preparing young children for future school success while providing a community-centered support system for families to thrive in. We celebrate and value the uniqueness of each child and their family by working together to build a happy and healthy foundation for a positive school experience. Bright Futures partners with our families, schools and communities to reflect diversity and promote continuous learning for all.

Mission Statement was created as a family, staff, and community partnership

Peoria County Bright Futures is a community-based program that acknowledges, appreciates, and embraces all educators, families, caregivers, and children regardless of their race, socioeconomic status, sexuality, religion, gender identity, ethnicity, nationality, language, age, or ability. As a program we are committed to the intentional continued growth of our communities. Our goal is to implement impactful change focused on Anti-Bias education.
