

ANADARKO PUBLIC SCHOOLS

ARP/ESSER III PLAN

Part 1: Strategies for Prevention and Mitigation of COVID

The extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools to continuously and safely open and operate schools for in-person learning.

COVID-19 and its variants have brought many challenges to Anadarko Public Schools, but we are proud to have implemented safety measures that allowed us to keep our schools open during the 2020-2021 school year.

In consultation with stakeholders, the following strategies/items have been identified as needs for Anadarko Public Schools to continue to effectively serve our students, even in the event of the pandemic lingering into the 2021-2022 school year.

ESSER III Project	Strategy/Item for Prevention & Mitigation
School Buses	To provide more buses to allow fewer students per route for social distancing to prevent the spread of COVID.
Suburban	For delivery of meals, distance learning packets, books, and/or computers to students.
HVAC	To prevent the spread of COVID by improving air quality and energy efficiency.
Lawnmower	To provide more space outside for PE and playground to allow for social distancing.
Construction and Renovation to school building doors, door access, and windows	School facility repairs and improvements to enable operation of schools to prevent and reduce risk of virus transmission and exposure to environmental health hazards and to support student health needs.
Construction and Renovation of Covered Outdoor Classrooms with Benches and Tables	To prevent spread by providing a place for social distancing and fresh air.
Construction and Renovation of Playgrounds and shade structures	To prevent spread by adding an area for elementary students for social distancing and physical activity in fresh air.
Video Surveillance System	To mitigate the spread using contact tracing.
Vape Detectors	To prevent spread and reduce risk associated with vaping.
Nurse	To prevent spread and conduct contact tracing.
