

Pinal County Public Health Services District
School Health Liaison Program

Dear Parent/Guardian(s):

7th and 8th grade students at Stanfield Elementary School are being offered the opportunity to attend a Healthy Relationships presentation, in partnership with the Pinal County Public Health Services District. Classes will be held on July 27, Sept. 27 of 2023, and Jan. 4, Mar. 6 of 2024. The Healthy Relationships presentation discusses how to safely feel and express respect for themselves and others. Students will learn to distinguish what a healthy and unhealthy relationship is, as well as different communication styles. **If you have any questions or concerns about the class, please feel free to email me at Ana.gonzalez@pinal.gov.**

Sincerely,

Ana Gonzalez
