Class news

We had such an exciting week in our classroom! The students loved shopping at our classroom store for the very first time, and it was wonderful to see them proudly spending the money they've earned through positive behavior.

I am so proud of their hard work on our very first tests of the year—they truly showed how much they are learning and growing already. This week, we will begin small group instruction, which will give students even more opportunities to practice skills at their own level. If your child has started calling a pen a “frindle,” you can thank our current read-aloud for that. We are all enjoying it together!

Field trip forms for our upcoming trip to Lanark Nature Center were sent home this week. Please note that there is a strict deadline for payments, so be sure to get those in on time. Thank you for your continued support at home. I'm so proud of this class!
