

**Internship Position**  
**Dauphin Island Sea Lab: Discovery Hall Programs**

*Position:* Marine and Environmental Science Education Intern

*Organization:* Dauphin Island Sea Lab

*Department:* Discovery Hall Programs for Education & Outreach

*Location:* Dauphin Island Sea Lab

*Duration:* 9 weeks, summer

*Interests Required:* Science, Education

*Time requirements:* Approximately 20-25 hrs per week

*Compensation:* \$14 / hr

*Start Date:* Orientation May 30<sup>th</sup>; May 30 – Jul 28, 2023 (2024 Dates TBD)

*Job Description:*

The intern will assist in preparation for Discovery Hall Programs summer camps for students of all ages. These tasks may consist of preparing for craft activities, accompanying student field trips to island sites, retrieving items from other campus locations, getting ice, snacks and drinks, loading/unloading vehicles and boats, scanning, printing and collating documents, organizing camp supplies, assisting in outreach events, and other duties as assigned.

*Qualifications:*

Students wishing to work in Discovery Hall Programs should:

- Have completed at least their junior year of high school
- Work well with others
- Like children and people
- Be a self-starter, arriving at work on time, comfortable being held responsible for completing tasks and communicating daily with the supervisor
- Be comfortable working outside in all types of weather encountered during typical Gulf coast summers (heat, sunny, humid, rain, wind, etc.)
- Be comfortable working around the waters of Mobile Bay and the Gulf of Mexico
- Be able to lift ~30 lbs
- Be able to get themselves to and from the Sea Lab on a daily basis
- Be able to work an occasional night or weekend
- Be able and willing to communicate well with the supervisor and other departmental personnel
- Be able to provide a letter of recommendation from a counselor, teacher, or previous employer

*Application Procedure:*

Interested students should forward their resume and a cover letter to their school Signature Academy Specialist. Any questions about the position can be directed to Ms Cassie Hanback, Administrative Assistant, Discovery Hall Programs at 251-861-2141, 7515 or [DHPSummer@disl.org](mailto:DHPSummer@disl.org)
